

The Aramaic Prayer of Yeshua

from The Gospels of Mattai & Luqa

experiential interpretation by DALE ALLEN HOFFMAN יד אל תופח

אכע דפעכע

Our One, Absolute, Eternal Being, of which we are borne forth from the realm of the All and the Only

דחודע עכר

I am empty within the ecstasy of Presence and the pure vibration of the One Cosmic Name

דכדכע חלכעה

Empower my creative expansion through Your emergence from the unseen realms

נמא י חכר

As I realize our life and will as One

אככע דפעכע אפ כזכע

On the manifest earth as in the unseen heavenly realms

מכ ל לטכע דפעכע נככע

Provide the nourishment of clear insight and realization through me now and in each present moment

נעכע ל נעכע נעכע אככע דכר נע עכע לטכע

Release the echoes of my hidden past as I cancel all my concerns with others

נלע דחלע לטכע אכע פיע חכע

Do not let me lose my True Self in forgetfulness, but wholly release me from the errors of my perception

חלל דדילי מ, חלכעה

For the undivided holiness is the Absolute, the All and the Only

נעלע דחעכעה

And the power of Universal magnificence

לחלל חלכע

From cosmic gathering to cosmic gathering, age to age, moment to moment, from now to now

אככע

May these pure intentions be the rooted, fertile earth-center from which all my actions flow – Abmeyn
