	27 Colors	28 Counting	29 Shapes	30 Colors	31 Shapes	

Dear Parents,

Happy New Year to all our families. We are ready and excited about getting back to school and having fun with our class. We have a few new kids moving up from the infant room. They have spent time in our room during the month of December so they should adjust quickly to our routine.

Our lessons in January are about winter weather, snow, animals, manners and sharing. We continue to learn our shapes, colors and counting too. The children love our songs and rhymes and they are always excited and interested in our Circle Time activities.

We don't usually go outside in January as it is typically too cold but we often bring snow inside to enjoy in our sensory table.

Remember to bring in enough for 2 snacks at the beginning of the month.

As a reminder, cold and flu season is still at a high in this area. If your child is sick, we ask that you please keep them home until they are better. The little ones in the toddler class like to share everything, including cold and flu germs.

Thank you,

Ms. Barb and Ms. Carrie
