

Kentucky Fishing Trip

On Barren River Lake in Glasgow, Kentucky

The United Special Sportsman Alliance (USSA) is hosting their annual fishing event for free at Barren Lake in Lucas, KY. This event is made possible by the generous donations of sponsors and donors who provide lodging, meals, fishing licenses, and boat snacks. The event will involve three special families who will be guided by anglers to catch largemouth bass, smallmouth bass, catfish, and black crappie. To qualify for participation, you must not have attended this fishing trip before. You can register for the event by submitting an application found on www.childswish.org. If you have any questions about the event, please reach out to the director and USSA's Kentucky Representative.
