Mehl Lawson is an artist in three mediums - sculpture, braiding, & horses. He is an heir to the proud vaquero tradition of Old California - a dedicated disciple of the refined, subtle elegance of the Santa Barbara style.

Mehl, a Bonita resident, has been presented the Remington Award at the Prix de West show held at the National Cowboy Hall and Western Heritage Center in Oklahoma City. He has received numerous Gold and Silver Medals and "Best of Show" award at the Cowboy Artist of America show held at the Phoenix Art Museum.

Thank you!
