

Application to Serve on FLC Transition Team

Our Director of REACH Ministries, Roger Steinke, is retiring on July 8, 2026. We will be establishing a team of members of FLC to facilitate the transition from the Director of REACH Ministries to a new staff configuration to fulfill the needs of our congregation. We are seeking individuals to serve on this team that will thoughtfully and with care shepherd us through this process. This team will represent different demographics of the congregation, be regular attendees in worship, understand congregational structures and are committed to listening to the Holy Spirit.

This transition team is not the “Call Committee” or “hiring committee.” We will establish another team for that process. The work of the Transition Team will be to establish the road map for our process. This plan will include, but not limited to, congregational interviews, review congregational history, review current staffing needs, engage the council and the pastor in restructuring process, and create a Ministry Site Profile (MSP). During this time this team will illustrate transparent sharing with the community.

The Transition team will be made up of 5-8 members and meet minimally monthly and more often as the process deems necessary. We hope that this process should be completed within six months from the time of commission.

If you feel you have the skills, the patience and the desire to serve on this team, please fill out this application form and turn it in to Pastor Berg or President David Berg.

PLEASE RETURN BEFORE MARCH 10, 2026

Application for FLC Transition Team

Name:

Email:

Preferred Phone:

Length of FLC Church Membership:

I commit to attend to prayer, faithful attendance to team meetings and in worship, and the Mission Statement of this congregation: Yes _____ No _____
