

VOLUNTEERS NEEDED!!

The Miracle League of Plymouth is a baseball field located in Downtown Plymouth with a specialized surface to allow individuals with varying disabilities to play baseball.

What is a Buddy?

A Buddy is defined as a volunteer that serves as one of the most important elements in the Miracle League. A buddy assists the player in any aspect that they may need. A buddy is there to be a friend and a helper but most importantly to have fun.

What does a Buddy do?

- A buddy is paired with a Miracle League Player for each game.
- A buddy can be an able body, a helper, a ball thrower or just a friend.
- A buddy allows the parents to be a spectator, which they do not get to do in everyday life.
- If you are new we offer a 10 min orientation before your game.
