

DON'T TAKE CHRIST OUT OF CHRISTMAS

By John Lipinski

Don't take Christ out of Christmas, don't take Christ out of Christmas
Don't take Christ out of Christmas, He came for you and for me

There wouldn't be presents, no holiday cheer
No warm, fuzzy feeling, this time of the year
No sweet children singing, so soft and sincere
There wouldn't be nothing, if He didn't come here...so...

Don't take Christ out of Christmas, don't take Christ out of Christmas
Don't take Christ out of Christmas, He came for you and for me

solo – same as verse

The world's gone commercial, forgot the reason
Why we get together, during this festive season
It takes just a minute, for us to remember
When someone reminds us, each and every December...so...

Don't take Christ out of Christmas, don't take Christ out of Christmas
Don't take Christ out of Christmas, He came for you and for me

C-H-R, I-S-T, M-A-S, for you and for me
C-H-R, I-S-T, He was born for you and for me
