DESCRIPTION: This rare bow is a restored BP Golden Sovereign Conqueror. Looks a lot like the early BP Palomino bow. Great looking and performing recurve. Brazilian Rosewood and White Holly riser. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. Two filled sight holes on the back. One can be seen from up close, and the other is barely visible (see pic on last page). No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is a reproduction. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range to test shoot. Comes with a new rug rest and side plate, and a new string.
