Wines

Taste the best wines in the Northwest. The Festival features over 200 wines from more than 20 wineries. Try a robust Cabernet Sauvignon, a crisp, dry Chardonnay, or perhaps a fruity Riesling. Sample wines with a "taste" or a glass... then purchase a bottle or a case to take home and enjoy! And for

kids and families, we've got plenty of nonalcoholic beverages. Try a root beer float... it's great on a hot summer day!

Fine Art

Are you looking for original oil or watercolor painting, pottery or one of a kind sculpture? What about custom jewelry, glasswork or mixed media? The Northwest is home to many talented fine artists and crafters. The Festival invites and proudly presents a limited and select number of professional artists from Washington, Oregon, Idaho and California to display and sell their art during the Festival.

Cuisine

Outstanding wines make great food even better. Take a bite from some of the region's best restaurants, and sample a variety of tasty cuisine. There should be something to satisfy every appetite... pasta dishes, soups, salads, salmon, chicken, beef, vegetarian delights and more. But save room for dessert!
