

GRAND COUNTY WATER CONSERVANCY DISTRICT  
GRAND COUNTY SPECIAL SERVICE DISTRICT

Regular Meeting -----September 6, 1988

The meeting was called to order by the Chairman, D. L. Taylor at the District Office at 7:00 A.M. Other Grand County Water Conservancy District members present were Gary Wilson, John Groo

ATTENDANCE

Grand County Special Service District members present were D. L. Taylor, Gary Wilson, William D. McDougald. Others present were Dale Pierson and Roberta Highland.

Roberta read the minutes of the meeting of August 16, 1988. After calling for additions or corrections, the Chair declared the minutes approved as read.

MINUTES

Gary moved the GCWCD approve the Zion's proposal for refinancing the office building, and to make an agreement with SVW & Sid to obligate the District for one-half of the balance due. John seconded. MOTION CARRIED.

REFINANCING  
OFFICE BUILDING

Dale reported that after the last meeting, he had discovered a leak in the reservoir basin. However, we are still losing 6 to 8 AF from the reservoir per day, and he is watching for another leak. Rock screening at the outlet was discussed, and it was reported that Dam Safety had been against this because of silting problems. Dale reported the wells in the lower valley had been turned off by Moab Irrigation Company while he was out of town last week. Larry Johnson and Jim Walker made the decision. Various wells were discussed, and the possibility of a storage tank on the line for irrigation water in dry cycles was briefly discussed. Costs of pumping water was discussed.

LEAK IN LAKE

Dale reported he had contacted Mrs. Barry about the 3 cfs secondary right she owns, and discovered during a conversation with her son that they also own some Moab Irrigation Co. stock. Her son stated they are interested in a long term lease on the 3 cfs secondary right, with an option to buy at the end. He will discuss this with his mother, and put together a proposal and get back with the Board. Dale indicated to Mrs. Barry's son that the District would also be interested in the purchase of their Moab Irrigation Co. stock.

DORIS BARRY  
WATER RIGHT

Gary asked if the engineers responsible might have some liability for some of the expenses for repairs to the lake. D. L. suggested we contact Larry Anderson and discuss this liability problem.

POSSIBLE  
ENGINEERING  
LIABILITY

Dale reported he and Bill McDougald had gone to the C. I. B. meeting. That Board questioned if the District might have the ability to pay a loan. He and Marsha will get the information together to support our need for a grant. The District is now on the pending list, and all documentation will be needed for the next hearing.

Dale brought up the question of measuring devices for Moab Irrigation Co. We had a request for them this year by April 15, but received the request April 24. This will be considered next spring. Moab Irrigation Co.'s request for aid in repairing the diversion dam was also discussed. D. L. suggested the Board members attend the next Moab Irrigation meeting and asked the Secretary to send a notice to Board Members.
