VDP Safety & Uniforms Ltd. (VDP) is a supplier of uniforms, safety apparel, equipment, and supplies. Our specialty consists of products ranging from traffic cones, safety vests, high-visibility tee shirts, and hard hats for construction crews to upscale corporate office attire. Known for its high standards of personalized customer service to match our quality product line, VDP is a small business that delivers as promised. Headed by its President, Phoebe Lee, whose background is in supply chain management, VDP has a system that is proficient in helping our clients source their specific product needs economically and with efficiency. A 2006 magna cum laude graduate of Clark Atlanta University, Lee also attended the Fashion Institute of Technology, with a concentration in fashion design. As a professional model, Lee took her love for fashion to a different level of business dressing with VDP's uniform line.
