Reserve de la Saurine
Blanc 7, 16
Gard, *France* 2018

“Wine with a beautiful pale yellow robe with green reflections, showing the delicate character of this wine. The aromatic expression is very charming, displaying floral notes, pepper and mineral notes bringing freshness.”

Graziano
Chenin Blanc 10, 24
Mendocino, California
“combines the mineral-laced steely acidity and structure of a classic Loire style wine, with the rich, creamy texture and roundness and fullness of fruit of a California wine. Aromas of wet stone, peaches, pear, and citrus all commingle in this racy, complex wine.”

Domaine Collin Cremant de Limoux 30
Brut Rose, France
“...pale salmon pink in color. Though the wine is primarily made from Chardonnay, subtle wild strawberry notes are detectable in the nose and on the palate from the Pinot Noir. The crisp, mineral Chardonnay is softened by the lush and aromatic Chenin Blanc. The result is a lively wine with a lot of character, without any aggressive or astringent notes. This is a wonderfully versatile rosé ideal for pork and salmon dishes, or simply on its own as an aperitif”

Saintes Pierres de Nalys
Chateaufort du Pape 60
Rhone, France 2005
“Deep, dark and profound red color. An elegant nose what opens with notes of red fruits. Ample and supple tannins while keeping a lovely frame. A rich wine, balanced between richness and freshness.”
69% Grenache, 20% Syrah, 5% Cinsault, 4% Muscardin, 1% Cunoise, and 1% Mourvedre

Marqués de Riscal
Gran Reserva 48
Rioja Spain 2005
“Deep black-cherry colour, almost opaque. Very elegant, complex nose, with aromas of black fruit and lots of spice. Smooth and round, with tannins which are firm, yet silky and very sweet and which envelop the whole palate. The finish is long, lingering, fresh and balanced with a hint of fine elegant tannins.”

BonAnno 36
Napa Valley, California
A deep ruby red, with aromas of spice and sage followed by a mix of blueberries and blackberries with fresh raspberry notes. With a nice balance of acid and well-integrated tannins, the mouth shows flavors of dark fruit, currants, and hints of mineral and anise. 76% Cabernet Sauvignon, 18% Merlot, 4% Cabernet Franc, and 2% Petit Verdot.

Chateau Des Perligue 10, 24
Graves, France 2016
“This medium bodied red wine has nuances of blueberry and black current fruit typical of the Cabernet varietal, and a soft roundness on the palate derived from the Merlot in the blend. Cabernet Sauvignon (58%), Merlot (34%), Cabernet Franc (8%)”

Lanciola
Chianti Classico 15, 34
Tuscany, Italy
“Bold and expressive, offering cherry pie, currant, leather, tobacco, earth and iron flavors, supported by a tightly woven matrix of tannins. This lingers with an aftertaste of pure fruit and graphite..”

Masut
Pinot Noir 45
California 2015
“intense red and dark fruits with hints of vanilla and anise, plush texture and spice. Seductive, silky and supple.”
