

Established in 1997 at the National Center for Higher Education
& located in Washington, D.C., PESC - The Postsecondary Electronic Standards Council
is a 501(c)(3) non-profit, community-based, umbrella association of colleges & universities;
college and university systems; professional & commercial organizations;
data, software & service providers; non-profit organizations & associations;
and state & federal government agencies.

Through open and transparent community participation, PESC enables cost-effective connectivity between
data systems to accelerate performance and service, to simplify data access and research,
and to improve data quality along the higher education lifecycle.

FALL 2010 DATA SUMMIT

TEAMING UP FOR SUCCESS

OCTOBER 11-12, 2010
LOS ANGELES, CA

UNLOCKING THE POWER OF DATASM

PESC is very pleased and excited to have you here with us for this very important series of meetings. Please feel free to observe and/or participate in as many meetings and discussions as you like as all meetings are open to all registrants. Data Summits are working meetings that focus on development, integration, implementation and service-oriented architecture of data and information systems. Other topics of interest that impact data standards, access, overall connectivity and interoperability are also discussed.

Our very special Keynote Speaker is Patrick Perry, Vice Chancellor of California Community Colleges.

AACRAO SPEEDE Committee meets on Sunday October 10, 2010 in Heathrow Room.

The Common Data Standards service provider meeting is 12:30pm Tuesday October 12, 2010 in Concourse A.

The Common Data Standards Consortium meeting is 3:00pm Tuesday October 12, 2010 in Concourse A.
