## Season's First Snow at Ruby Mountains Heli-Experience Northeastern Nevada 11 14

on Oct 31, 2014

Category: *Outdoors and Wildlife*

Season's First Snow at Ruby Mountains Heli-Experience Northeastern Nevada 11 14. With 10 peaks soaring above 11,000 feet, the Rubies offer the world's most spectacular, untracked, freeze-dried, desert powder - "pure western fluff," reports National Geographic, "an Alaska-size day of powder shots in the Lower 48."
