

CHILD AND ADULT CARE FOOD PROGRAM
MEAL BENEFIT INCOME ELIGIBILITY FORM (Child Care) / FISCAL YEAR 2016

PARENT LETTER

Dear Parent or Guardian:

This child care center participates in the United States Department of Agriculture Child and Adult Care Food Program (CACFP) and receives Federal funds to provide healthy meals and snacks to all of the enrolled children. The amount of reimbursement the center receives is based on the information provided on the attached CACFP Meal Benefit Income Eligibility Form (IEF). Part of the USDA requirement is to complete the IEF. If household income is equal to or less than the income listed in the chart below for household size, the center will receive a higher level of reimbursement. Read the attached instructions carefully and fill out all required information. Please return the completed IEF back to our center as soon as possible.

If a member of the family (child or adult) receives Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR) benefits or cares for a foster child(ren) that is the legal responsibility of Virginia Department of Social Services or the court, these children are eligible for meal benefits regardless of household income.

If the household income(s) is over the income guidelines listed below, the family is not required to complete this application. Instead, please write the child's name on the IEF and return it to our center. Please notify us if someone in the household becomes unemployed and the loss of income causes the household income to be within the income eligibility standards.

The information provided on the IEF will be used to determine the child's eligibility for meal benefits. The information will be kept confidential and only available to staff directly connected with administering the CACFP.

Family Access to Medical Insurance Security Plan (FAMIS)

FAMIS is Virginia's health insurance program for children. It provides access to quality health services for children who do not have health insurance. **FAMIS Plus** is Virginia's name for children's Medicaid. **FAMIS Plus** also provides great benefits and covers children in families with low or no income, even if the children are covered by health insurance.

By signing the section on the application for **FAMIS** or **FAMIS Plus**, the family is stating they do not want information shared with the local Department of Social Services. If IEF information is disclosed, it may be used to identify the child(ren) for the health insurance program. More information on **FAMIS** is available at 1-866-873-2647 – Interpreters are available. Log onto www.famis.org to apply online.
