Happy New Year PTA!

Since the 2025-2026 New Year is underway, download a copy of our [Financial Review Guideline](#)! It provides checklists for Treasurers and the Financial Review Committee!

Also, don't forget about our [PTA New Year event](#) on the 24th! Even though it's virtual, we look forward to interactive discussion and brainstorming from everyone!

**FREE Virtual STEM Camp - Sponsored by the
Army Educational Outreach Program (AEOP)**

**Gains in the Education of Mathematics and
Science (GEMS) (a U.S. Army-sponsored
program that hosts STEM camps around the
U.S. at Army research labs and engineering
centers) has developed a FREE week-long, at-
home summer program for rising 6th through
8th graders anywhere in the United States!**

**Starting July 14 and offered weekly for 5
weeks, we will be piloting this new program ...
and we need student participants!**

It's FREE and should take 1-2 hours per day!

**Students will be mailed a workbook full of
experiments and be given access to videos and
instructional support online!**

**Experiments can be completed with
everyday household items!**

**Students will attend 4 live educational
sessions on Zoom - one a day for 4 days!**

**Students can gain tickets to enter a raffle
and win small science-themed prizes!**

**You'll be helping us learn from the
experience -- your feedback will help shape a
lasting program to develop America's future
scientists!**

**If you have a child in this age range that is
interested, please sign up using this form:
<https://forms.office.com/r/2rhk50zRzW> and
share with anyone else you know who might be
interested!**
