**5<sup>th</sup> Sunday Potluck**

*Immediately following morning worship today, we will have our 5<sup>th</sup> Sunday potluck meal. This is your reminder to our visitors to remain after worship service to fellowship and share a meal with family, friends.*

**Prayer requests**

- Sandy Parmer asked that we keep her family and friends in our prayers. Her daughter, April, who lives in Mobile, Alabama had a seizure and a single car crash. The Neurologist said she cannot drive until he gives her permission and must stay on her current meds.
- Mindy Scaffie continues to have multiple health issues that require visits to multiple doctors. Due to multiple falls and a fractured rib she and her husband Woody haven't been able to attend church services but she remains cheerful and keeps friends up-to-date through her Facebook page.
- Darlene Queen cardiologist advised that her pacemaker is doing great but she still has pain because of fibromyalgia and arthritis which is often made worst depending on the weather. As her husband Jerry likes to say, “she has her good and bad days”.
- Darlene Queen's son Justin Sutton, has been hospitalized at Erlanger WCH in Murphy for cellulitis.
- Jeff Leiby continues to have health issues.
- Chuck Brehm continues at home as he deals with multiple health issues. He continues to have swelling and blood clots in his leg.
- Lynda Trusty has to wear a neck brace because of a fracture to her cervical vertebrae resulting from a fall two weeks ago.
- Heather Stepp, the niece of D.J. Stephenson, had radiation treatments for her cancer and will begin chemotherapy soon in Fort Worth, Texas.

- **You or family member or friend may not be on this list but, we are all in need of prayer.** The pandemic, flu season and the uncertainty in the economy has taken and continues to take its toll on many. Depression, homicides, suicides and gun violence are increasing as well as the impact of climate changes. Take time to check on your neighbors!

Come grow with us. If you have any questions or want to start a home study, contact our minister, Roy Stephenson.

Contact Nell Ard if you need a picture taken for our picture directory located in the foyer or need changes made to the directory printout provided to each member for your reference. Complete the form provided on the back table and give it to Nell upon completion. It is most important that you make sure your information is current.

**Please note that because the bulletin is uploaded to the website, we do not include details regarding home address and phone information for privacy reasons in the bulletin.**

**Cell Phone Donations**

Woody Scaffie will make sure that all your personal data is removed. **Please note the church has a basket in the back to help him.**

**REACH of Cherokee and Graham County, Inc.** is an outreach program for victims of domestic violence.

As the staff travel to the schools to discuss domestic violence, they have identified a need for children's shoes, underwear, and socks of varying sizes. They have also adopted some families to help as well. **Teens frequently request a fleece blanket.** If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the blue bin located in the pantry. Check out the clearance section at Walmart next time you go shopping.

Stacy can always use some **small tote bags** and small travel size items to fill them with, e.g. travel size shampoo and conditioner, toothbrushes, tooth paste, travel size deodorant, hand sanitizer, etc.

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also ask for cooking utensils to help victims start over. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet. They also can use items to help with their self-esteem and pass the time until they can be placed in a safe environment. You can provide puzzles (500 pieces or less), adult coloring books, reading material, word puzzles, make -up, nail polish, hair clips, etc.

Volunteers and donors are always needed. Call the office at 828-

837-2097 or 828-837-8064 for more information. Local REACH covers Cherokee and Graham County.

**REACH is leading our community in eliminating domestic violence and sexual assault through education, advocacy, self-empowerment, and community awareness.**

### **FOOD BANK DONATIONS**

We need your help to keep our pantry stocked. If no family, or individual has made a special request; then, Lula pulls items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews, NC. The food bank is open to the public on Tuesdays and Saturdays from 10-12.

**Suggested items based on Lula's discussion with some of the female staff: they can always use feminine hygiene products and other personal hygiene items, e.g. toothpaste, toothbrushes, bars of soap, wipes, small bottles of shampoo, soups that can be heated over a small fire, small jars of peanut butter and items that do not require a stove for cooking. Most of the clients are homeless and/or senior citizens living on a fixed income, so they can use small bottles of laundry detergent and Clorox to wash their clothes.** The food bank has a bakery that donates bread, and the local Walmart provides fresh produce.

You can also write a check payable to the Andrews Food Bank, P. O. Box 843, Andrews, NC 28901, and they will supplement items that are not being donated.

#### It's Way Too Hot!

Do you know the difference between a heat stroke and heat exhaustion?

As North Carolina faces an intense heatwave, Duke Energy is calling on residents to conserve electricity during peak afternoon hours to alleviate pressure on the power grid.

North Carolina is experiencing extreme heat this week which will take a toll on HVAC systems and the power grid across.

#### Heat Stroke

- **Extremely high body temperature:** A core body temperature of 103°F (40°C) or higher is a key indicator.
- **Altered mental state:** This can range from confusion, disorientation, and slurred speech to seizures, loss of consciousness, and coma.
- **Skin changes:** Skin may be hot, red, and dry (or sometimes profuse sweating).
- **Rapid pulse:** The heart will beat faster to try and cool the body down.
- **Other symptoms:** Headache, dizziness, nausea, vomiting, and rapid, shallow breathing can also occur.
- **Lack of sweating:** Contrary to what some may expect, heat stroke may be accompanied by a lack of sweating.

If you suspect heat stroke, it is crucial to seek immediate medical attention by calling 911 or the local emergency number.

#### Heat Exhaustion

- Heat exhaustion can precede heat stroke: Recognize the symptoms of

heat exhaustion (fatigue, nausea, headache, dizziness) and take steps to cool down and rehydrate to prevent progression to heat stroke.

- Be aware of risk factors: Physical activity in hot weather, wearing heavy clothing, alcohol consumption, and inadequate fluid intake can increase the risk of heat stroke.

“...God did not give us a spirit of timidity, but a spirit of power, of love and of self-discipline.;

2 Timothy 1:7

#### What does it mean to be self-disciplined?

Self-discipline is the power to manage [your] thoughts, emotions, or behavior in the face of temptation to achieve a specific goal. From this self-discipline definition, it is easy to see how this term is often referred to as self-control, willpower, restraint, persistence, and determination.

The Bible emphasizes the importance of self-control, viewing it as a fundamental virtue and a key aspect of a Christian life. It is described as a fruit of the Spirit and a sign of a close relationship with God. The Bible also stresses that self-control is essential for living a righteous and godly life, helping individuals to overcome sinful desires and live according to God's will.
