Thank you for supporting the Lloydminster & District SPCA. By becoming a member you and/or your family will receive an invitation to our next Annual General Meeting. As a member you can now vote on topics discussed and office positions held by our Board of Directors, all at the AGM. Also, you are making a commitment to help animals in your area, acknowledging animal welfare, helping to strengthen our voice within the community and help to secure our non-profit fund based organization. You will also be helping support our various programs, like the spay/neuter fund and vaccination program, and most importantly helping animals within your community find their way home, reducing the number of stray and abandoned animals on the streets and finding them new loving homes. Your membership does so much for us and for you, to learn more about volunteering, fundraising, and more just give us a call at 875-2809 or stop by the shelter.
