Our Lady of Lourdes and the World Day of the Sick

Each year on February 11, the Church pauses at a quiet yet powerful crossroads of faith and human fragility: the Feast of Our Lady of Lourdes and the World Day of the Sick. It is a day marked by prayer, compassion, and a renewed awareness that suffering - when entrusted to God - is never meaningless.

The story begins in Lourdes, France, in 1858, when the Blessed Virgin Mary appeared to a poor, humble fourteen-year-old girl named Bernadette Soubirous. In a grotto along the River Gave, Mary identified herself with words that still echo through the Church: "I am the Immaculate Conception." From that hidden place flowed a spring of water that would soon become a sign of healing and hope for millions. To this day, Lourdes remains a destination for the sick, the weary, and the faithful who come not merely seeking cures, but seeking the gentle reassurance of a Mother who leads us unfailingly to her Son.

This Marian devotion will take on a special and deeply personal meaning next October, when our parish embarks on a pilgrimage in Europe that will include visits to several sacred and historic places. Among these graced stops will be the Shrine of Our Lady of Lourdes. To pray together in that sacred and heavenly place - where faith has been strengthened, tears have been shed, and countless hearts have been consoled - will be an extraordinary grace. It promises to be an awesome experience of unity, prayer, and renewal, as we lift up the intentions of our sick and their families at the very place where Mary continues to whisper hope to the world.

Continued from page 2 - Fr. Anthony's Message

It is no coincidence that Saint John Paul II chose the feast of our Lady of Lourdes as the World Day of the Sick. Having known suffering personally, he understood that illness touches every family, every parish, and every heart sooner or later. This day reminds us that the sick are not on the margins of the Church. They are at its very heart. Their prayers, their endurance, and their quiet trust in God proclaim a Gospel more eloquent than words.

For the Knights of Columbus, and for the Columbiettes, this day speaks directly to who we are and how we live our vocation of charity. Love is shown not only in large initiatives, but in small, faithful acts: visiting the sick and homebound, making a phone call to check in, offering a ride to a medical appointment, preparing a meal, or simply being present. These humble gestures, often unseen, mirror Christ's own compassion and tenderness. Equally essential is the spiritual support we offer. Knights and Columbiettes faithfully pray for the sick and entrust them to Our Lady of Lourdes, asking her intercession for healing when God so wills, and always for strength, peace, and hope. In this way, we affirm a timeless truth of our faith: suffering, united to Christ, is never wasted.

In a culture that often measures worth by strength and self-sufficiency, the World Day of the Sick reminds us that human dignity does not fade with illness or age. The sick teach us patience, compassion, and trust. They call us back to what truly matters in life!

As we honor Our Lady of Lourdes, may we as Knights and Columbiettes renew our commitment to serve with generous hearts, to pray, and to walk faithfully beside those who suffer. And may every act of charity - no matter how small - become, in God's hands, a spring of hope for someone in need.

Our Lady of Lourdes, pray for the sick.
