Independent Auditor's Report

Board of Directors
Community Action Partnership of Central Illinois, Inc.
Lincoln, Illinois

We have audited the accompanying financial statements of Community Action Partnership of Central Illinois, Inc. (a nonprofit organization) which comprise the statement of financial position as of December 31, 2015 and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Partnership of Central Illinois, Inc., as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other information

Our audit was conducted for the purpose of forming an opinion on the financial statements of Community Action Partnership of Central Illinois, Inc. taken as a whole. The accompanying Schedule of Expenditures of Federal Awards, State, Local Awards and List of Programs, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, (for grants beginning before December 26, 2014), and/or by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards*, (for grant periods beginning after December 26, 2014), and the Schedules of Program Activities, on pages 15 through 21, are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards, State, Local Awards and List of Programs and the Schedules of Program Activities are fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by Governmental Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated June 29, 2016, on our consideration of Community Action Partnership of Central Illinois, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

COMMUNITY ACTION PARTNERSHIP OF CENTRAL ILLINOIS, INC.
Lincoln, Illinois

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2015

Note 1. REPORTING ENTITY, NATURE OF OPERATIONS, AND ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Community Action Partnership of Central Illinois, Inc. (Agency) (formerly Central Illinois Economic Development Corporation) operates as a nonprofit organization located in Lincoln, Illinois servicing disadvantaged families by providing comprehensive health, education, nutritional and social services to preschool aged children and their families through the Health and Human Services Head Start Program; weatherization of houses and assistance with energy bills through various energy programs, and referral services through the community services programs. The Agency is supported primarily through donations, and grants from the Illinois Department of Commerce and Economic Development, Illinois Department of Human Services, Illinois Department on Aging, U.S. Department of Health and Human Services, the United Way of America.

Basis of Presentation:

The financial statements have been prepared on an accrual basis of accounting and in conformity with the standards promulgated by the American Institute of Certified Public Accountants as those standards pertain to voluntary health and welfare organizations.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board related to its classification of net assets. Under the standards, Community Action Partnership of Central Illinois, Inc. is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporary restricted net assets, and permanently restricted net assets. Support revenues are reported as unrestricted unless explicit funding source stipulations specify how the revenues must be used. When a funding source restriction ends or purpose restriction is met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The accounts of the Agency are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds have been combined and presented for the Agency as a whole.

The Agency follows standards of accounting and financial reporting prescribed for voluntary health and welfare organizations. The financial statements are prepared using the accrual basis of accounting in which revenue is recognized when earned and expenses are recognized when incurred.

Classification of Net Assets:

Net assets and revenue, expenses, gains, and losses are classified based on the existence or absence of donor-restrictions. Accordingly, net assets of Community Action Partnership of Central Illinois, Inc. and changes therein are classified as follows:

1. Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations or where donor-imposed stipulations are met in the year of the contribution.
2. Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or may not be met, either by actions of Community Action Partnership of Central Illinois, Inc. and/or the passage of time. When a restriction expires, temporarily restricted net assets are transferred to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
3. Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by Community Action Partnership of Central Illinois, Inc. Generally, the donors of these assets permit Community Action Partnership of Central Illinois, Inc. to use all or part of the income earned on any related investments for general or specific purposes. Currently, Community Action Partnership of Central Illinois, Inc. does not have any permanently restricted net assets.

Revenue and Expense Recognition/Grant Funds Received in Advance

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Agency reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Grants are either recorded as contributions or exchange transactions based on

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2015

Note 1. *REPORTING ENTITY, NATURE OF OPERATIONS, AND ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - continued*

Revenue and Expense Recognition/Grant Funds Received in Advance - continued

A. Grant Awards That Are Contributions

Grants that qualify as contributions are recorded as invoiced to the funding sources. Revenue is recognized in the accounting period when the related allowable expenses are incurred. Amounts received in excess of expenses are reflected as grant funds received in advance.

B. Grant Awards That Are Exchange Transactions

Exchange transactions reimburse based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Program Revenues

The statement of activities demonstrates the degree to which the direct expenses of a particular function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include the following:

- Charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by the given function or segment.
- Grants and contributions that are restricted to meeting the operational requirements of a particular function or segment.
- Grants and contributions that are restricted to meeting the capital requirements of a particular function or segment.

Functional Expenses

The Agency allocates expenses on a functional basis among its various programs. Expenses that can be identified with specific programs are allocated directly according to their natural expenditure classification. Administrative expenses are allocated to grant programs according to the proportionate use of service provided by the cost, as provided by the Agency Cost Allocation Plan.

Vacation and Sick Leave

Employees accumulate vacation and sick leave, which vests as it is earned, based on years of service with the Agency. That portion of these accumulations, which is expected to be paid from current available resources are accounted for as a liability of the fund that incurred the expense. The accumulated amount of vacation and sick leave is accounted for in the statement of financial positions as "Amounts Held for Others" in the amount of \$69,449.

Equipment and Buildings

Property and equipment are recorded at cost and depreciated on a straight line basis over their useful lives. It is the Agency's policy to capitalize property and equipment with unit cost of \$1,000 or more and a useful life of more than one year. Leasehold improvements are depreciated over the shorter of their estimated useful life or lease term. Property and equipment purchased through the various Federal and State programs administered by the Agency are expensed when purchased for grant reporting purposes and are capitalized for financial reporting purposes. Such items acquired under grants from Federal and State sources are considered owned by the Agency while used in the programs for which they are purchased or in programs authorized in the future. However, the funding source has a reversionary interest in the property and equipment purchased with grant funds. Grantor approval is required to dispose of or transfer of this property.

Property and equipment used by the Agency in the administration of grant funds, and purchased with nonfederal monies, is allocated to the various programs through the use of depreciation on a straight line basis over the estimated useful life of the asset as follows:

Buildings	20 Years
Equipment	5 Years
Vehicles	3 Years

Note 1. *REPORTING ENTITY, NATURE OF OPERATIONS, AND ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - continued*

Cash and Cash Equivalents

For the purpose of cash flows, cash and cash equivalents are considered to be all unrestricted highly liquid investments with maturity of three months or less at the time of acquisition.

Tax Exempt Status:

The Agency is exempt from federal and state income taxes under Internal Revenue Code Section 501(c) 3, and similar provisions of the state income tax code. In addition, the Agency qualifies for charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Uncertain Tax Positions

Community Action Partnership of Central Illinois, Inc. is required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. Community Action Partnership of Central Illinois, Inc. has determined there are no amounts to record as assets or liabilities related to uncertain tax positions. Federal returns for the tax years ended 2012 and thereafter remain subject to examination by the Internal Revenue Service.

Interfund Receivables and Payables

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivable and payables are classified as "due from other funds" and "due to other funds" on the statement of financial position. Short-term interfund loans are also included in these categories. These amounts are usually repaid in subsequent periods.

Investments

The Agency carries investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by the passage of time or by use) in the reporting period in which the income and gains are recognized. The Fair Value Measurement Topic of the Financial Standards Board (FASB) Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs). During the current year the Agency's only investment was a money market account which are included in cash and cash equivalents.

Allocated Costs

The Agency uses a cost allocation for financial reporting purposes to spread common costs to the various funds and programs. The cost allocation program is based on a formula established by the Agency and approved the Agency's cognizant agency, U.S. Department of Health and Human Services.

Note 2. *SUPPORT FROM GOVERNMENT UNITS*

The Agency receives a substantial amount of its support from federal, state, and local governments. If a material reduction in the level of this support were to occur, it would have a significant effect on the Agency's programs and activities.

Note 3. *TEMPORARILY RESTRICTED NET ASSETS*

Temporarily restrictions on grant revenue is provided by the following sources: Illinois Department of Commerce and Economic Opportunity, Illinois Department on Aging, Illinois State board of Education, United States Department of Agriculture, United States Department of Health and Human Services, United States Department of Homeland Security, United States Corporation for National and Community Services, United Way of America, and United States Department of Energy. Under terms of the grant agreements, costs which do not meet the terms and conditions of the grant programs may be disallowed and required to be returned to the grantor. As of December 31, 2015 the Agency is not aware of any such costs.net assets result from funds being provided through various grants and contracts that provide for specific requirements to be met prior to the expenditure of the related funds. Grants and contracts provide funds be spent for specific purposes, provide for matching from the recipient and allow certain limitations for administration costs

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2015

Note 4. PENSION PLAN

The Agency adopted a Simple 403(b) retirement plan allowing all employees who have completed 1,000 hours of service during the eligibility period and have attained at least age 21, after one year of service. The plan provides for a 3% matching contributions by the Agency. Agency contributions for the current plan were \$18,722.

Note 5. OPERATING LEASE AGREEMENTS

The Agency maintains a number of lease agreements for the purpose of providing classrooms and operations for the Head Start and other programs. The leases generally provide for monthly payments and are renewed annually.

Included in these leases is an operating lease with Central Illinois Ventures for Community Action for the lease of a building located at 2018 North Kickapoo Street, Lincoln, Illinois. The lease began on June 29, 2007 and will terminate on June 29, 2032. Terms of the lease provide for monthly payments of \$1,200. The lease agreement provides for the purchase of the building at the end of the lease period with the amount of the by-out to be determined by the lessor.

The Agency maintains an operating lease with Central Illinois Ventures for Community Action for the lease of a building located at 1800 5th Street, Lincoln, Illinois. The lease began on June 29, 2007 and terminates on June 29, 2032. Terms of the lease provide for monthly payments of \$2,056. The lease agreement provides for the purchase of the building at the end of the lease period with the amount of the by-out to be determined by the lessor.

The Agency maintains an operating lease with Central Illinois Ventures for Community Action for the lease of a building located at 301 South Dale, Havana, Illinois. The lease begins on June 29, 2007 and will terminate on June 29, 2032. Terms of the lease provide for monthly payments of \$967. The lease agreement provides for the purchase of the building at the end of the lease period with the amount of the by-out to be determined by the lessor.

The Agency also maintains an operating lease for a building in Clinton, Illinois. The lease is for the period March 26, 2015 to April 30, 2020. Terms of the lease provide for monthly payments of \$6,750.

The Agency also maintains six other operating leases for a buildings used for the purpose of providing a facility to operate the Head Start and other programs. Note 6. NOTES/LOANS RECEIVABLE

The Agency operates a revolving loan program whereby certain allocated monies funded through the Community Services Block Grant Program are loaned to qualified businesses. Principal repayments made on the loans is used to make new loans to eligible applicants. Final determination of whether a loan is deemed uncollectible is made by the Illinois Department of Commerce and Economic Development. Loans are considered delinquent or past due if payment is more than three to four months in arrears. The Illinois Department of Commerce and Economic Opportunity has the final determination whether the loan is considered uncollectible unless the business declares bankruptcy. The loans are stated at the value expected to be received, which would be the outstanding balance as of December 31, 2015. The following is a summary of the notes receivable transactions for the year.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2015

Note 14. CONCENTRATION OF CREDIT RISK

Custodial Credit Risk-Deposits

In the case of deposits, this is the risk that in the event of a bank failure, the Agency's deposits may not be returned. The Agency does not have a policy for custodial credit risk, however all deposits are currently covered by FDIC insurance and in addition, the Agency has an agreement with the financial institution providing for deposits to be covered by collateral held by the financial institution's Trust Department in the Agency's name.

As of December 31, 2015, the Agency's deposits with banks totaled \$711,735 with the book balances, exclusive of petty cash, totaling \$552,682.

Custodial Credit Risk-Investments

For investments, this is the risk that, in the event of failure by the counterparty, the Agency will not be able to recover the value of the investment or collateral security that are in the possession of an outside party. The Agency usually limits its investments to certificates of deposit at local institutions. These investments as well as cash deposits are covered by an agreement with the financial institution to collateralize all deposits and investments with securities held by the pledging bank's trust department in the Agency's name.

Credit Risk

The Agency has not adopted a formal policy related to Credit Risk.

Concentration of Credit Risk

The Agency places no limit on the amount it may invest in any one issuer.

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards

Board of Directors
Community Action Partnership of Central Illinois, Inc.
Lincoln, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Action Partnership of Central Illinois, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, and cash flows for the year then ended, and related notes to the financial statements, and have issued our report thereon dated June 29, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action Partnership of Central Illinois, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Community Action Partnership of Central Illinois, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Community Action Partnership of Central Illinois, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material deficiencies may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Partnership of Central Illinois, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* which described in the accompanying schedule of findings and questioned costs as item 2005-001.

Community Action Partnership of Central Illinois, Inc.'s Response to the Finding

Community Action Partnership of Central Illinois, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action Partnership of Central Illinois, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and
on Internal Control over Compliance Required by OMB Circular A-133 and/or
the Uniform Guidance

Board of Directors
Community Action Partnership of Central Illinois, Inc.
Lincoln, Illinois

Report on Compliance for Each Major Federal Program

We have audited Community Action Partnership of Central Illinois, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* (for grants beginning prior to December 26, 2014) or *OMB Compliance Supplement* (for grants beginning after December 26, 2014) that could have a direct and material effect on each of Community Action Partnership of Central Illinois, Inc.'s major federal programs for the year ended December 31, 2015. Community Action Partnership of Central Illinois, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action Partnership of Central Illinois, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of OMB Circular A-133, *Audits of States, Local Governments, or Non-Profit Organizations* (for grants beginning prior to December 26, 2014) or the *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) (for grants beginning after December 26, 2014). Those standards and OMB Circular A-133 and/or the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Partnership of Central Illinois, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Partnership of Central Illinois, Inc.'s compliance.

Basis for Qualified Opinion on the Head Start Program

As described in the accompanying schedule of findings and questioned costs Community Action Partnership of Central Illinois, Inc. did not comply with requirements regarding CFDA 93.6 Head Start as described in finding numbers 2015-001 for Matching. Compliance with such requirements is necessary in order to comply with the requirements applicable to the program.

Qualified Opinion on Head Start

In our opinion, except for the noncompliance described in the "Basis for Qualified Opinion" paragraph, Community Action Partnership of Central Illinois, Inc. complied, in all material respects, with the types compliance requirements referred to above that could have a direct and material effect on the Head Start Program for the year ended December 31, 2015.

Unmodified Opinion on Compliance for Each of the Other Modified Federal Programs

In our opinion Community Action Partnership of Central Illinois, Inc. complied, in all material respects, with the types compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended December 31, 2015.

Report on Internal Control over Compliance

The management of Community Action Partnership of Central Illinois, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action Partnership of Central Illinois, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, or Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Partnership of Central Illinois, Inc.'s internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies as described in the accompanying schedule of findings and questioned costs as items 2015-001, 2015-002.

Community Action Partnership of Central Illinois, Inc.'s response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action Partnership of Central Illinois, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 or Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

COMMUNITY ACTION PARTNERSHIP OF CENTRAL ILLINOIS, INC.
Lincoln, Illinois
Schedule of Findings and Questioned Costs
For the Year Ended December 31, 2015

Finding: Cost sharing or matching (2015-001)

CFDA Number and Title: 93.600 Head Start

Federal Grantor Name: U.S. Department of Health and Human Services

Federal Award/Contract Number: 05CH8463-01

Pass Through Entity: NA

Grant Period: 4/1/2015 to 3/31/2016

Questioned Costs: None

Condition: The Agency did not have adequate internal controls to ensure compliance with federal matching requirements. Compliance for the Head Start Program provide that the Agency obtain a 25% of federal funds spent be locally matched.

We reviewed the Agency's controls over matching requirements to determine whether the Agency obtained the correct amount of non-federal matching funds from an allowable source for the Head Start Program. Total expenditures for the Head Start Program, program period April, 2015 to March 31, 2016, and as of December 31, 2015, were \$2,626,691 which required an in-kind matching of \$656,673. As of December 31, 2015 in-kind matching was \$424,024.

Criteria: Pursuant to the requirements in OMB Circular A-110 (2 CFR section 215.23) some grants require an amount of non-federal matching funds from an allowable source be obtained based on the amount of federal funds expended.

Effect: As a result of not recording non-federal match when obtained or on a timely basis, the Agency was not in compliance with the cost sharing or matching requirement for the Head Start program ending March 31, 2016.

Recommendation: We recommend Community Action Partnership of Central Illinois, Inc. review their internal controls to ensure that the amount of non-federal matching (in-Kind) be obtained and recorded as received in order to satisfy grant conditions.

Management Response: The Agency has implemented controls that provide for the timely recording of non-federal matching funds as the amounts are received and recorded in the *Child Plus* program. As of December 31, 2015 the Child Plus program, which provides an accounting of the non-federal, in-kind matching, shows an amount of \$647,146 for the matching of the Head Start Program. The Head Start Program does not end until March 31, 2016, and the matching requirement was in compliance at that date.

Current Year Status: Implementing procedures.

COMMUNITY ACTION PARTNERSHIP OF CENTRAL ILLINOIS, INC.
Lincoln, Illinois
Schedule of Findings and Questioned Costs
For the Year Ended December 31, 2015

Finding: Davis Bacon (2015-002)-continued

Condition: Community Action Partnership of Central Illinois, Inc. is required to comply with the requirements of the Davis-Bacon Act that are applicable to the construction work financed with a federal grant. The Act requires that the Agency obtain and review certified payroll from construction contractors, for applicable projects, to ensure that the prevailing wage rates are being paid to individuals on the job site.

Criteria: OMB A-133 as well as the Uniform Guidance provide for a contractor or subcontractor being paid with federal funds to submit, for each week in which any contract work is performed, a copy of the payroll and statement of compliance (certified Payrolls) to the Agency. (29CFRSection 5.5 and 5.6).

Effect: The Agency was not in compliance with some of the compliance requirements of the Davis-Bacon Act.

Recommendation: We recommend Community Action Partnership of Central Illinois, Inc. obtain all required certified payrolls for each week that contractors had individuals providing services for the related construction projects. In addition, the Agency should adopt a policy outlining the type of projects that are subject to the requirements of the Davis-Bacon Act.

Management Response: The Agency is currently in the process of obtaining the necessary information required by the Davis-Bacon Act from the contractors that provided service on the related construction projects. The Agency has advised the contractors of the situation and they are aware that the weekly reports are required. In addition, the Agency is developing a guideline that will outline the requirements of the Davis-Bacon Act and will implement these guidelines into the accounting process.

Current Year Status: Implementing procedures.
