

W.H.O. IS IN CHARGE

PANDEMIC ACCORDS

COVID World Order Has Arrived

The purpose of this report is to bring to one's attention a very serious event that will affect the entire Population on Planet Earth, going forward. On Sunday, May 22, 2022, the World Health Organization (W.H.O.) will gather at the Palais des Nations in Geneva for its 75th World Health Assembly, vote scheduled for 5/22/22 in which all countries of the world, except Taiwan, are invited to debate the future of the global response to the Chinese coronavirus and potential future pandemics. The WHO would oversee the entire Health Protocols of the Planet.

The Pandemic Treaty would outline the Pandemic Preparedness Matrix that would grant it absolute Power over Global Bio-Security, such as the Power to implement Digital Identification and Vaccine Passports. It would Mandate Governments to forcibly require Injections and impose Travel Restrictions on those People that will not comply. It will Standardize Nation's Medical Care and essentially will be a China-Style, Top-Down Totalitarian Take-Over of World Governments.

The agenda this year will see countries discuss the adoption of a 'Pandemic Accord', which would further empower the globalist project of the United Nations when it has determined a public health emergency has occurred, which some have warned will nullify the ability of nation states to determine their own course during a pandemic.

This capitulation to the UN's WHO, although sounds altruistic, will essentially circumvent the US Constitution that would have protected us from such Tyranny that it will morph into. As many suspected from the COVID beginning, the Powers-That-Be have used 'Science' and 'Viruses', Pandemics to subvert Nation's Sovereignty. That is why the WHO gave the go-ahead for China to Lock-Down 37 Million People as a Beta Test, in violation of Human Rights. Here below is a Letter that the Association of American Physicians and Surgeons is sounding the Alarm about the WHO UN Takeover.

Please write to your Members of Congress and ask them to support HR 419. This good bill, sponsored by Rep. Chip Roy (TX-21), would stop U.S. taxpayer dollars from funding the World Health Organization (WHO).

As demonstrated by the WHO response to COVID-19, the organization is not only ineffective, but pushes policies and agendas that are harmful to American patients and our nation's well-being.

For example, while initially assisting the Chinese Communist Party in suppressing details about COVID's origins and transmissibility, the WHO later promoted China's unconscionable lockdowns and other violations of human rights as measures other nations should emulate.

Meanwhile, the U.S. is the largest funder of the WHO, "providing between \$400 million to \$500 million each year," reports the Kaiser Family Foundation. Now there are efforts underway to double-down on failed WHO leadership with a proposal to create a new pandemic treaty that could hand international regulators more tools to promulgate protocols and procedures which will by far do more damage than good.

In addition, the WHO is set to consider questionable amendments, proposed by the Biden Administration, to existing International Health Regulations (IHR) that appear to expand WHO authority while limiting nations' ability to contravene objectionable WHO actions.

While certain analysts offer somewhat benign rationale for the changes under consideration, others warn of dire consequences for medical freedom and national sovereignty. The exact ramifications may be ambiguous, but what is clear is the need for the U.S. to disengage from this international body with interests contrary to what is best for patients and our nation.

As AAPS presciently warned over 60 years ago in our March 1955 newsletter: "the World Health Organization ... is another United Nations agency ... where the American taxpayers pay for most of the activities but have an exceedingly small voice in opposing the socialistic programs offered by the agency."

Recent WHO behavior, combined with looming expansion of its authority, signal that the time is here to remove the U.S. from the WHO. To work towards this goal, please support Rep. Chip Roy's HR 419 to prohibit the U.S. government from providing any financial contributions to the World Health Organization.

There have been few Opposing Voices from Politicians and other Concerned Citizens. For example, in the USA, Michele Bachmann points out the following Alarming Scenarios. Bachmann has stressed in many interviews that the People of the World need to understand that the 1st phase of the Globalist Authoritarian System has already been implemented. This occurred all across the World, due to COVID, and it is still being seen in China.

All the Draconian Power Grab, especially occurring in Great Britain, Canada, the United States, Australia and New Zealand was designed as a 'Controlled Demolition' to 'Bankrupt' the West. This is now the 2nd Phase of the Globalist Power Grab and Take-Over. Bachmann has mentioned that one thinks the past 3 years of COVID has been bad, wait until this new Phase is implemented. It is a Power Transfer to an International Body that has no Citizen Oversight whatsoever.

She stresses that every Citizen needs to read the Amendments to the 'Pandemic Treaty'. But she assures the People that she has read them. And indeed, the Protocols call for the transfer of Executive Power to the Director of the WHO, without any discretion. She stated that in an event that a Mandate would be coming down, there needs to be no Scientific Basis, Reason or Consolation with Nations. Decisions will be binding as Uniform Policies will be required, regardless of Nation's Needs or Conditions that may not warrant such Measures.

Such examples of Mandates could be to Lock-Down certain Regions of a Country, by Neighborhood, City, State or entire Nation. The WHO will have no Legal Power to require Citizens to forcibly be Injected with what they call 'Vaccines', or require Face Masks, indefinitely, etc. A Nation's Congress, Parliament, Politician or Average Citizen will be powerless to object and/or Protest. The UN's WHO will meet from May 22-28, 2022 in Geneva, Switzerland. Already, it is reported that about 47 Nations have signed-on to this 'Pandemic Accord'.

They are the 'Usual Suspects' in whom the UN, the WHO, Bill Gates, the World Economic Forum types have totally cooped the Leadership of the most important Nations on the Planet. Their Puppet Leaders have been positioned to basically believe and promote the Luciferian Globalist Agenda. Such Leaders like those of Australia, New Zealand, Canada, the UK, the USA are onboard because they have been groomed to push for the New World Order they have even admitted is needed and coming in various Public Forums.

And what is the Luciferian Globalist Agenda? It is about Population Reduction. It is about controlling the Masses through Bio-Metrics, at the Genetic Level, and thus the required Injections. It is about a Reset, a total revamping of the Financial System where there will be a Block-Chain type of Digital Currency, now tied to one's Body. Essentially, it is all falling into place wherein, the outcome will lead the World to the Mark of the Beast as disclosed in the Book of Revelation.

There is no debate in Congress or Nation's Parliaments. It is going to affect ALL of Humanity. There is a Nation-Wide Petition to ask the UK Government for a National Referendum. The WHO are not Elected Officials and they will not have any hesitation to Lock Down entire Nations or Population that will go against the UN Agenda 202-2030, etc. Given this Next Step in obtaining Global Governance, there are those that are suggesting this is what will lead-in to the 10-Toe Confederation of either Nations or Regions.

This is predicated in the Prophecy of Daniel. Now, it is not clear if this 10-Toe Confederation will be exclusively coming out of the European Union or that of the entire World. Regardless, the Sovereignty of individual Nations is gone with this so-called Pandemic Treaty and any semblance of Civil Liberties are Guaranteed Inalienable Rights are gone. How will the takeover actually materialize? Consider all the prior 'Exercises' like the Rockefeller's Lock Step 2010 Scenarios or the Gates Event 201. These were precursors for the Life Event.

According to a report by Hal Turner, the next go-around of 'Pandemics' will involve Monkey-Pox, it would appear. Here is an excerpt with emphasis.

'In March 2021, the Nuclear Threat Initiative (NTI) partnered with the Munich Security Conference to conduct a 'Tabletop Exercise', to simulate a Global Pandemic. It involved an Unusual Strain of Monkey-Pox. It was caused by a Terrorist Attack using a Pathogen, Bio-Engineered in a Laboratory. In the 'Exercise', the Terror Monkey-Pox attack took place in May, 2022. Well, it is now May, 2022, and we now have . . . an outbreak of actual Monkey-Pox. These 'Exercises' are not Exercises, they are Plans!'
