At a previous meeting a motion was made and approved to provide money to replace the wood on our benches. Currently there has been additional seating provided for us and the need for the benches is not a priority. Paul has volunteered to do a safety check on all the benches and retire those that need to be.

Wally has more bike raffle tickets if needed. Please return all sold tickets to him so they can be turned in by August.

If you have any issues that need to go to the Abate board, get with Wally and he will take your issues to the next Abate board meeting.

There has been some discussion regarding parking during bike nights. Please make constructive suggestions or solutions by this fall to Lori. The goal is to make parking beneficial to all.
