

Goliad County Groundwater Conservation District
Monthly Meeting Minutes
August 20, 2018

1. Call to Order – Prayer -Mr. Dohmann called the meeting to order at 5:00 p.m. at the Goliad County Groundwater Conservation District. A prayer was led by Ms. Smith.
2. Pledge of Allegiance - The Pledge of Allegiance to the United States Flag and the Water District Pledge. “May we be responsible stewards of our natural resources.”
3. Roll Call - Art Dohmann, Wilfred Korth, Barbara Smith, Gary Bellows, Ginger Cook, were present. Wesley Ball and Carrol Norrell were absent.
4. Introduction of visitors and welcome guest – Mr. Ball welcomed guest. Heather Sumpter and Leroy Mikeska were present from the District office. The District’s attorney, Ashford Taylor was present. See attached sign in sheet for all guest.
5. Public Comment –David Morgan ask a question to the board in regards to what methodology the district uses to achieve the districts DFC. Mr. Dohmann commented the district does not have a methodology to management to achieve the DFC due a flawed model. The district does use monitor wells to monitor water levels. The District efforts are focused on working with TWDB in the development of a new model.
Mr. Crittenden from Crittenden drilling was present to inform the board of a well that will be drilled in the southern part of the county. He questioned if an existing registered water well can be reworked and blank screen in the well so the well would be able to use for a permitted to meet the districts screening rules. Mr. Dohmann made comment that consideration would need to be made during a permit hearing.
6. Public Hearing – Open Public Rule Hearing –Mr. Dohmann open the public rules hearing for public comment to consider the following rule changes.

Rule 2.6 B – Delete sentence - The application for change of use shall be in the same form, and governed by the same standards, as the original water permit application.

Rule 7.1 – Change wording to state the board will submit an updated Management Plan every five years and may submit a revised plan at any time.

Rule 8.1 – Add Wording relating to moratorium and transport of processed groundwater.

Rule 11.1 B. – Delete the word immediately.

Rule 12.1 H. – Add wording relating to granting of Historic Use Allocation Certificates.

Rule 12.6 C. – Add wording for permitted annual production for beneficial use.

Rule 12.6 E. – Revision of maximum pumping chart and wording related industry approved seal.

Rule 12.8 E. - Add wording relating to registration of an exempt water well used for drilling or exploration operations.

Mr. Earl Henning was present for the city in regards to a new well the city is considering drilling on ward street. The city is considering the well to pump at a maximum of 600 gpm. Rule 12.6 C. addresses addition to a central zone for pumping maximums. Mr. Henning was present to understand the districts rules on screening depths and pumping maximums.

Mr. Dohmann closed the public hearing.

7. Close Public Hearing – Discussion and take action on rules hearing. – The board took into consideration, changing a proposed pumping rate in the central zone from 400 gpm to 600 gpm. Ms. Smith made a motion to change the central Evangeline zone pumping rate from the proposed 400 gpm to 600 gpm. Mr. Bellows seconded and the motion passed 5-0. Ms. Sumpter asked for the board to double check the boundary line of the map that addresses the zones for the county. After discussion it was determined the boundary line needs to be moved to follow definitive line across the county. Mr. Korth made a motion to adopt the proposed rules. Ms. Smith seconded and the motion passed 5-0.

Consent Agenda Items

Items listed under the Consent Agenda are considered routine and may be enacted in one motion. A member of the Board of Directors may request one or more items be removed from the consent agenda for a separate discussion and action.
