

RSVP Provide-A-Ride

Our Drivers Are Ambassadors of Care

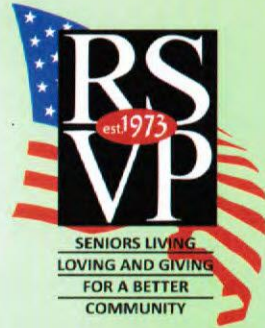

Since 1994, RSVP Provide-A-Ride has cared for low-income older adults by providing free transportation to medical appointments throughout central Oklahoma.

Our compassionate volunteer drivers remain with our clients throughout the entire appointment, ensuring they return home safely and providing a time of friendship for so many who live alone.

When you volunteer as a RSVP Provide-A-Ride driver, you help older adults keep their medical appointments, save money on transportation expense, and continue to live a safe, healthy, and independent life. Join our compassionate team today!

Seniors living loving giving for a better community

Join Our Volunteer Team and Make a Lasting Impact

Through our Volunteer Recruitment and Placement Program, we match the skills and experiences of older adults throughout central Oklahoma with volunteer opportunities at local nonprofit agencies.

Our volunteers make the community a better place by delivering meals, tutoring children, assisting disaster victims, sorting donated goods at food pantries, and so much more! We can help you find

rewarding volunteer opportunities you will enjoy as you serve in our community.

Volunteering is an adventure as you visit new places and make new friends. You'll quickly discover what starts out as a way "to do something" becomes an amazing way to live as you serve others. It truly is a better life when you keep on giving! We invite you to stay involved, give back, and make a difference. Call us today!

STAY INVOLVED

We can help you find volunteer opportunities that are a match for your skills, talents, and experience. Stay active and involved as you help make our community a better place!
