

TREE SHARE TO JOIN SOD SHARE in 2022!

After four successful years providing VOP with a great opportunity to buy sod at a discounted price (and even have it delivered for free!), we thought it would be a great idea this year to add another landscaping option for our neighbors. Thus, the first annual **TREE SHARE** for VOP!

TREE SHARE will make beautiful Magnolia and Live Oak trees from local nursery Congaree & Penn available to our residents. And like with **SOD SHARE**, we have arranged for special pricing for anyone wanting to add a great looking tree to their landscape. The options are as follows:

- Live Oaks with a 4-inch diameter. These trees are typically 10-12 feet tall. Regular Price: \$1,000, VOP Price: \$900
- Live Oaks with a 6-inch diameter. These trees are typically 14-16 feet tall. Regular Price: \$1,800, VOP Price: \$1,500
- Magnolia trees of varying sizes (4-inch diameter to 8-inch diameter) starting at \$900, up to \$2800

Here's how **TREE SHARE** will work....If you have interest in purchasing a tree, we are happy to make the connection for you to

Eric from Congaree & Penn. Just call 904-699-4843. Or you can connect directly with Eric (see contact information below). Purchase details will go straight through Congaree & Penn and Eric will personally schedule your install (for no charge) for a time that is suitable for you. It will be **THAT** easy! From experience, Congaree & Penn trees are top-notch and also incredibly affordable. With our discount you will really be getting a great tree for the best price. We're excited to add **TREE SHARE** for 2022!

FOR MORE INFORMATION, contact John Laurence at 904-699-4843 or you can contact Eric at Congaree & Penn directly at 904-445-1459 or eric@congarereandpenn.com
