

## **SPECIAL EDUCATION TASKFORCE**

### **"Monthly Training"**

#### **Inclusion in Athletics and Extracurricular Activities for Students with Disabilities**

This program will focus on the legal obligations of schools to ensure that students with disabilities have access to sports and athletic programs as well as extracurricular activities. Schools may use a variety of accommodations, supports and strategies to provide opportunities for students with disabilities to participate in physical education activities, sports and school sponsored extracurricular events and activities. This program will highlight real life examples of strategies and approaches which have been used with success in a local school district, as presented by the teacher/coach who uses them to equalize the playing field for all students.
