

NRA Basic Rifle Shooting Course

For times, location and registration, check our [Class Schedule](#).

Course Cost Per Person: \$150.00

Course Description

The Basic Rifle Shooting course is about 14 hours long.

During that time, the student will learn the basic knowledge, skills and attitudes necessary for owning and using a rifle safely. The course teaches the students about:

- rifle parts and operation
- ammunition
- shooting fundamentals

Shooting exercises will include the bench rest, prone, kneeling, sitting and standing positions.

- shooting positions
- sighting-in
- sight alignment
- gun safety

We will also discuss other firearm ownership necessities, like:

- care and cleaning
- safe home storage
- legally transporting your rifle
