Peter specializes in preparation and prosecution of patents, trademarks, and copyrights, as well as related opinions of counsel. He co-heads the firm's electromechanical and mechanical practice with Pat Musacchio. Peter has over thirty-six years of experience as a patent agent and patent attorney in law firms and corporations. He applies eighteen-year, in-house Intellectual Property Attorney, and Associate Chief IP Counsel skills as a "virtual" in-house lawyer for companies. This includes IP-related asset identification and protection, asset management, due diligence, licensing, risk management and related opinions and dispute resolution, as well as valuation advice to client transactional teams of in-house counsel and management, their financial advisors and other outside counsel. His emphasis in the past has been on electromechanical, mechanical, and electrical arts worldwide patent prosecution and related risk management opinions.
