

Public Lectures, Seminars and Workshops

Sessions are one-hour lectures, half day seminars or full day workshops.

Lectures last 45 minutes to one hour. They deliver practical information and useful tips in an open, interactive and friendly environment. **\$99 per person.**

Half-Day Seminars cover topics in more depth, with participants applying their new skills in exercises. They last 3-4 hours and may include a meal. There are usually 10 to 50 attendees. **\$299 per person**

Workshops are one day sessions with focused exploration of the topic. Participants have multiple opportunities to practice new skills and discuss what they have learned with other attendees. Workbooks may be provided. There are usually 10 to 30 attendees. **\$499 per person**

Essential Information For Corporate Women: a unique series of small roundtable workshops for executive women co-presented with Cindy Steiner of **Steiner International Communications**. One day intensive workshops with up to 16 women.

Group Rates

Email info@fundamentalcapabilities.com to enquire about free sessions with women's networks and student groups, and about special large group and corporate rates.

About Marne

Dr. Marne Platt is a veterinarian and executive in the pharmaceutical industry with a passion for helping other women succeed.

Marne founded [Fundamental Capabilities](http://www.fundamentalcapabilities.com) and developed its workshops for women who want to steer their lives with intention and integrity.

Her first book, '[Living Singlish: Your Life, Your Way](#)' was released in April 2016. It's an 'older sister in your pocket' packed full of advice for young women who want to build an independent and exciting life. Marne also blogs regularly for [Ms Career Girl](#)
