ELLIS HILL JOHNSON SOMERVELL

APPLICATION FOR WELL REGISTRATION FOR NEW WELL
(Well Drilled on or after January 1, 2019)

This form may be submitted in person, by mail or e-mail, or by fax

Registration of new wells prior to drilling is required by District Rule 3.2(a). Complete one application for each well.

In accordance with District Rules, a well owner or well driller, or any other person legally authorized to act on their behalf, must submit and obtain approval of a registration application and submit a well registration fee and well completion report deposit to the District before any new well, except leachate wells, monitoring wells, or piezometers may be drilled, equipped, or completed, or before an existing well may be substantially altered with respect to size or capacity. A permit may also be required for the well. Please see the District's Rules to determine if a permit is needed.

Application Date: _____

Part I. Registrant and Well Driller Information

Registrant Name: _____ Phone: _____

Fax: _____ E-mail: _____

Contact Person (if different than above): _____

Mailing address:

Street and Number or PO Box City State Zip

Provide the following information if the Well Owner and/or Property Owner where well is located are different from Registrant:

Name: _____ Phone: _____

E-mail: _____

Mailing address:

Street and Number or PO Box City State Zip

Does the proposed well site meet the applicable spacing and location requirements set forth in District Rules 4.1 and 4.2? (If your well has a maximum designed production capacity of 17.36 gpm or less, the required spacing distance is a minimum of 50 feet from the property line.)

Yes No

If no, applicant must also submit to the District an application for an exception to spacing requirements under District Rule 4.7.

Will the groundwater withdrawn from the well be used in a location different from the well site? Yes No

Location where used: _____

Will the groundwater produced be piped or transported for use at any point outside the boundaries of the District?

Yes No

Explain: _____

Part III. Purpose for Water Use

Mark (x) all appropriate boxes that describe what the water from the well will be used for:

- | | |
|---|---|
| <input type="checkbox"/> Domestic Use (household / lawn watering at residence) | <input type="checkbox"/> Municipal / Public Water System |
| <input type="checkbox"/> Livestock Watering | <input type="checkbox"/> Industrial / Manufacturing |
| <input type="checkbox"/> Commercial / Small Business | <input type="checkbox"/> Golf Course Irrigation |
| <input type="checkbox"/> Solely to supply water for a rig actively engaged in drilling or exploration operations for an oil or gas well , and the water well is located on the same lease or field associated with the oil/gas drilling rig (If you check this box, is the owner of the water well the same person who holds the oil/gas well permit issued by the Railroad Commission? ____ Yes ____ No | <input type="checkbox"/> Supplying water for oil or gas production as required for mining activities , or supplying water to a rig engaged in drilling or exploration operations for oil or gas where water well is not located on same lease or field associated with the oil/gas drilling rig. |
| <input type="checkbox"/> Filling a pond or other surface impoundment (check all uses above for water from the pond or impoundment) | <input type="checkbox"/> Other:

_____ |

Describe use: _____

Well Registration No. _____ Well Owner: _____

The registrant has 120 days from the date of approval above to drill and complete the new well, and must file the well report with the District within 60 days of completion. Failure to timely file the well completion report will result in forfeiture of the well completion report deposit and subject the registrant to enforcement action. A registrant may apply for up to two extensions of an additional 120 days each, which may be granted by the General Manager without need for consideration or action by the Board. Any additional extensions of time may only be authorized by the Board.
