

Secret Space War XVI: The Draco's Secret War Against American Goyim

by [Preston James](#)

Bait and switch: World Zionists (WZs) labeling Khazarian Imposters “Descendents of Abraham”.

World Zionists have labeled Khazarian Imposters as the real “Descendents of Abraham” in order to form a tyrannical Racial Delusion and Criminal Conspiracy against those they wrongly believe are “American Goyim”.

And also against all those who are the actual descendents of Abraham including Arabs and Palestinians who actually are the real descendents of Abraham.

World Zionists have worked hard to create a sinister Racial Delusion in Khazarian Judaic Converts to foster the attack, asset stripping, tyrannizing, capture, and eventual mass eradication of the real ancient Abrahamic bloodlines which actually have scattered, disseminated and diffused over most of Planet Earth.

Note: *This has been a difficult article to write and unless folks are up to speed on the information contained in earlier articles on Secret Space War, they will likely find it incomprehensible, incredulous and a complete waste of time. It's no use arguing against a shadow. Unless you have a working knowledge of Secret Space War issues, please stop reading this article and do not waste your valuable time.**

This is a long article and those with limited time may want to read only the bold print headers.

Unbeknownst to most, there has been a Secret War being waged against “American Goyim” by a grotesquely evil, Cosmic Alien Force centuries old and known only to top insiders as the Dracos or the “Great Serpents of Old” or the “Fallen Ones”.

These Dracos are reported by some to be Shape-Shifting Inter-dimensional “Fallen Angels” or “Cosmic Parasites” which are negative-energy vampires, exceedingly evil beyond what most can imagine and duplicitous beyond normal human reason.

They are experts at convincing the public that black is white, and white is black, good is evil, and evil is good. And the worst part is that they have apparently gained control of most of the earth riches by hijacking most of the Monetary Production and Distribution Systems under the power of the Draco ancient Babylonian Money-Magick or applied Black-Magic Arts.

Their specialty is manufacturing and distributing mass Mind-control culture by Hollywood and Television which conditions humans to enjoy behaving in self-destructive ways that also destroy their families, sex roles, religion and nations. They are believed to be parasites that feed off of the negative energy of great pain and long term suffering of humans.

These Dracos are reputed to be able to induce this massive human suffering and fast-kill and slow-kill death in many different varieties.

They do this by the use of ultra-high tech Mass Mind-control, Psi-power, administration of Black-Magic spells, induced manufactured long term illness through aerosol spraying, pollution, contaminated or poisonous vaccines, fluoride in the water, aspartame and other bio-chemical and chemical means designed to slow-kill humans by the masses.

The short term goal of the Dracos has always been to create as much human suffering and painful mass death as possible.

These methods are also used to create the massive suffering and early death which provide the negative energy these Cosmic Vampires the Dracos need to thrive. The more negative energy they get from suffering and dying humans and animals, the more energy and power they receive to further their anti-human agenda of suffering, death and total destruction of all who they identify as "Goyim" and eventually all humans even their own Cutouts and kingpins. More on whom and how they have selected and targeted Goyim as targets later on, which itself is a very big deception and lie. Also later on will be covered the subject of how and when these Dracos descended to Planet Earth and how long they have been here wreaking havoc on Mankind.

One of the Dracos main long term agendas is to allegedly depopulate the earth and replace humans with a very small number of their Draco-human hybrids and custom designed, engineered and cloned biological androids and trans-humans which are biological machines.

These "creatures of the night" are alleged to receive optimal feeding by the generation of the highest levels of painful death possible, with the best means that artificially induced by war, mass-murder, or murder with those dying violent and exceedingly painful deaths.

Yes, there appears to have been an Evil Alien Agenda being unleashed on Planet Earth by a Cosmic Parasite known to top insiders as the Dracos for at least the last 4,000 years, and this alien entity feeds off of human suffering and painful human death.

If you doubt the high-level control now exercised by these alien Cosmic parasites, just take a look upward and anyone can easily see the aircraft often spraying chem-trails in a criss-crossing pattern over America. Who has the power to induce the SSG to deploy such a major operation which impacts the whole earth? When you figure this out what these chem-trails are comprised of and how harmful it is to humans, and what criminal cabal is doing this under whose power and instructions, then you are at least half way there.

The Evil Empire of the Soviet Union as well as the criminal Central Bankster System run out of the City of London have all been part of this Evil, anti-human Agenda of the Dracos, the inter-dimensional fallen angel parasites that are alleged to have hijacked the Twelve Ruling-class "Bloodlines".

The Draco's chief creation and current claim to fame is World Zionism, the plague of Mankind and known to top insiders as the "Synagogue of Satan".

World Zionism has been their chief creation and their main vehicle to generate a Racial Delusion among their selected Cutouts (Puppet world leaders and top Policy-Makers) as well as many Judaics which further their cause of destroying humankind and replacing it with Draco-human hybrids and trans-human type "hived" cloned androids. World Zionism has been alleged to have become secretly obsessed with mass murdering all Goyim.

The Dracos have allegedly hijacked most of Planet earth through their central banking debt-based pernicious usury system of Babylonian Money-Magick and used this network to further their anti-human Alien Agenda.

But the Draco's evil anti-human agenda is specifically targeted to those they secretly identify as "Goyim" which they believe carry true ancient Hebrew blood coming from Abraham and they target as their ancient enemies. This involves most Palestinians and most Arabs as well as most Europeans and Americans. As strange and counter-intuitive as this seems there may be ample background to support this assertion.

Why, you might ask? Because there is substantial evidence that the various ancient Hebrew Tribes scattered during the Diaspora migrated to Europe and America where they greatly intermixed. This has been previously written about as the missing tribes but has been largely ignored or considered to be bunk. This is a mistake to ignore these because such an assertion is accurate. It is true that some with ancient Hebrew Blood remained in Palestine or migrated to other Arab nations or to Spain.

The Ancient Hebrew tribes were spread out during the Diaspora after the destruction of their Temple.

But for the most part these different Abrahamic or ancient Hebrew Tribes spread out and migrated all over Europe and the Western World. So the true Semites are Palestinians (recent peer-reviewed Johns Hopkins genetic research done by an esteemed shows that approximately 80% of Palestinians have ancient Hebrew Haploids and are thus true Semites, while approximately 90% of Israelis who claim to be Semites have essentially no ancient Hebrew Haploids).

And to further complicate this double-minded duplicitous deception, enter the Khazarians. These are the converts to Judaism from Khazaria or Eastern Russia which have been induced by the Dracos to believe they are of ancient Hebrew Blood and have migrated all over the world and to Palestine in parallel mimicking the migration of the true tribes of the ancient Hebrews of Abraham. Numerous historians now consider these Khazarian converts to be the fake Judaics or the Judaic impersonators of Revelation 2:9 and 3:9.

One of the greatest tricks in History is the Dracos use of selecting and designating "imitation secents (sequents?) of ancient Hebrew Abrahamic bloodlines which have actually been the fake Khazarian Judaic converts (of Revelation 2:9 and 3:9).

This parallel duplicitous migration and scattering of the true Tribes of the ancient Hebrew Abrahamic bloodlines has perhaps been used a part of the greatest racial deception in history. It has been imposed on the Khazarians who have been hijacked by these Dracos which is their specialty.

By hijacking a certain key and select group of top Khazarians who are believed by numerous insiders to be remnants of the “Synagogue of Satan”, the men were projected to be Illuminati or Top Policy-Makers of the European Old Black Nobility that formed an alliance with Lucifer through interconnected occult or Black-Magic circles. Once these top Policy-Makers of the Old Black Nobility were anointed with the Draco’s pure Luciferian power, they were able to use their Psi-power and Black Arts to hijack the British Banking System and use this as a springboard to take over most of the world through their fiat based pretend money system based on Babylonian Black-Magick.

One key aspect of these habitual hijackers of everything that determines human policy is their commitment and practice to use the Kings and Queens and the various world Royalty bloodline families of the world to serve as nexus/”points of control”. The Draco leaders know that it is essential that they keep the world organized into hierarchies run by the top policy-maker leaders of the world which must be Illuminati or Royal Bloodlines linked to Draco heritage.

Dracos are reputed to be very hierarchical, bureaucratic and rigid, operating by age old formulas used to hijack, take down, manipulate and destroy peoples, cultures and nations.

That is their age-old game and it is a game of death, of Cosmic Parasites and ultimate Evil that knows no bounds. They are also masters at creating racial delusions which are used to cut and divide and provide all kinds of evil motivations to manipulate and promote mass wars, totalitarianisms, Bolshevism and neo-Bolshevism, Fascism in many different varieties, and abusive off-shore-run Oligarchies disguised as out of control Capitalistic Bureaucracies.

Allegedly the Dracos created a master racial delusion by World Zionists (WZs) which is now in place in America and which involves the creation and deployment of the obviously Neo-Bolshevik Department of Homeland Security (DHS). DHS was set up by Israeli-American (Israeli Firster) dual citizens with an evil Draco Agenda to tyrannize, and eventually haul off most innocent “American Goyim” to FEMA and US Military prison camps, where they will eventually be mass-murdered. This is the secret agenda of DHS who was set up and is now secretly run by World Zionists representing the International Zionist Crime Syndicate (IZCS) the largest crime syndicate in the world, run out of Israel (Palestine) and is the main Cutout and Action-agent of the City of London Zionist Central Banksters.

Is a racial delusion and a deep demonic fantasy driving a secret Top Policy of the SSG which is and obsession to militarize the American police, construct numerous FEMA and Military Internment Camps across America, and build up the DHS, which is actually a Zionist outpost and foreign run army inside America?

Allegedly these top “Circle of Twelve’s” deepest demonic fantasy is to load what they define as Goyim into trucks and take them to FEMA camps and do exactly what they believe was done to “their people” in Germany by Goyim? Of course many now realize this was the City of London World Zionist (WZ) Central Banksters set up the Bolshevik Revolution in the first place, followed by the Nazi regime (Hitler was a British Agent)and then set up the whole Internment Camp situation and created the Holocaust (translated from old English as a “Fiery Sacrifice”).

It is now known the Internment (work camps) in Germany had plenty of non-Judaics interred there too as part of a devious WZ plan to create a racial holocaust to be used to manipulate money and power from surviving Judaics and a tool to radicalize them to serve as their action-agents against “Goyim” everywhere?

Obviously an important part of the Draco's evil Cosmic Agenda to take control of the whole Earth using Khazarian Cutouts was to infect them with this racial delusion fostered by the pre-planned WZ deployment of internment camps and the inculcation of the Big Lie and Delusion that they are the true ancient Hebrews that the "Goyim" (who are actually the true descendents of Abraham) tried to eradicate them.

Has the Secret Shadow Government (SSG) been hijacked by the Dracos and is it now serving their evil, anti-human Agenda?

This group of twelve Top Policy-Makers appear to be ruled by a Draco induced/demonic racial delusion that if they don't murder all Goyim, they will eventually be murdered by Goyim as an extension of the anti-Semitism now once again emerging worldwide. Actually this so-called anti-Semitism is anti-khazarianism and has also been artificially stimulated and evoked by the Dracos and their WZ representatives. It is this Top WZ Policy that has been determining all other political policies of the Secret Shadow Government (SSG), which is the invisible but real government. And the SSG using this Grand Policy to determine all subordinate policies of the visible USG (which is the Congress, the Judiciary and the Executive) has enabled AIPAC and 70,000+ K Street Lobbyist to keep members of Congress and so many USG officials adequately supported, re-elected and greased with large amounts of Bacsheesh.

Perhaps this group of twelve Top Policy-Makers (the Denver Circle of Twelve or Denver "Blood-thirsty ones) has apparently adopted this racial delusion and blood lust to kill every Goyim after asset stripping them and it is their main or Top Policy, and functions as a secret policy. And perhaps they have determined the top USG policy to fulfill this most evil Draco Agenda to kill all true descendents of Abraham which is darned near all Western people as well as all Arabs. And perhaps this secret policy is now becoming a self-fulfilling prophecy which once again will bring their own persecution and worst fears into reality as the public starts to figure this all out thanks to the lightning speed that truth travels on the worldwide Internet.

Where did the Evil, anti-human Cosmic Parasites the Dracos come from and what is their mission?

The best guess is that they were the "Fallen Ones" or the Angels that Almighty God kicked out of his Kingdom for their rebellion against him. These allegedly Dracos descended to earth and mated with earth women and against God Almighty's rules and as punishment were stripped of their immortal spirit being status and limited in their years of life, destined to be destroyed by God at a delayed but future judgment. Some historians believe that the Dracos were comprised of both male and female with the ancient Greek and Roman fables based on their presence on Earth. It is known that there have been numerous very large clearly inhuman skeletons with six fingers and toes recovered all over the world but immediately suppressed over the last 200 years.

Dracos, the ultimately Evil Cosmic Parasite.

Apparently the Dracos anti-human agenda is based on their cold-hearted, soulless evil nature from being cut off from God Almighty the source of all real love for each other. Allegedly their need to serve as negative energy parasites of the human race goes back to their loss of life as slow deterioration of their inter-generational genetics which has been completely corrupted by their disobedience to God's Golden Rule of "Do unto others as you would have them do unto you". It is believed that the Dracos are an exceedingly blood-thirsty bunch and are the source of so much human violence and shedding of blood.

Some have even theorized that they have even been able to infect the genes somewhat of many humans or that they have been able induce violence through their ultra high tech deployment of mass mind-control and psychotronics through satellite based transmitters as well as perhaps via certain pulsed digital waves patterns transmitted in parallel by cell phone towers as well as their exceedingly evil use of Psi-power.

Allegedly they can replace this massive loss of energy into themselves by parasitizing humans through creating and accessing negative human suffering, snatching the souls of humans by provoking them or tempting them to sin via drugs, hardcore pornography, and actually implanting Draco spirits into soulless humans that voluntarily cross a certain line of evil by inducing demonic possession. Of course those “Bloodline Family” individuals that have no souls who show great promise are approached by Draco spirit guides which offer special Blood Contracts (often these folks are under the heavy influence of drugs).

If they make the contract then they are assigned their own Draco “spirit guide” which appears to them in a variety of forms but once doing so stays in that form which they first appeared in. These so-called personal spirit guides are alleged to provide advanced warning of forthcoming problems, and apparently can serve as Intel advisers and psi-power servants as long as their contractee continues to do as much covert evil as possible and engage in periodic human sacrifice and sexual magic according to the satanic holidays.

This spirit form appears periodically but more often after their “Blood Contractees” perform human sacrifice rituals. It has been alleged by insiders at the periphery of all this that the more human suffering and painful human death these “Blood Contractees” produce to feed their masters the Draco spirit guides, the more power, wealth and prestige they are given.

The Dracos are believed by some to be the sources of the WZs world power system and are also believed to have mated with earth women and produced Draco-human hybrids and the Circle of twelve Denver Bloodthirsty-Ones as well as the Illuminati or Luciferian Bloodlines.

Some who have knowledge of highly classified Beyond-Black SSG files have claimed to have close friends at the end of their lives that Dracos were actually Anakem or Canaanites and that the ancient Hebrews were instructed by God Almighty to destroy all of them to the last one because they were soulless, were giants, were Draco alien-human hybrids and had grossly contaminated genetics which contained an anti-human “evil gene” for intrinsic demonic possession and no soul. It is also believed by some historians that when the Draco Alien-human hybrids were not completely eradicated they reproduced at a very rapid rate and populated much of the earth.

These historians also believe that their culture was exceedingly evil and based on frequent human sacrifice and every single sexual perversion and demonic aberration imaginable. One rumor from a very highly connected insider was that these Dracos, like their WZ inductees are obsessed with inducing who they consider “American Goyim” and all “Goyim” to engage in as much blatant perversity as possible and this provides great entertainment.

And apparently the Dracos love to mock humans in general and even their WZ recruits who they induce to worship the all-seeing-eye of Lucifer which is reputed to be duplicitous as many of their occult symbols. Can you guess what the secret esoteric meaning of the all seeing eye is and why many their Crime Cabal WZ recruits are induced to engage in anal sex at the Bohemian grove annual get together and men’s only party? Allegedly the motivation is to access powerful sex magic as proposed by Aleister Crowley, called the “Beast 666” and the “Most Evil Man” that ever lived. Like so many Luciferians he died a terrible death (a

burned-out, sick, demented, fallen heroin addict). Now I certainly hope these rumors are wrongs but Dick Nixon was recorded in the oval Office making statements which supports such a rumor.

Also believed is that because the Earth was filled with these soulless giants filled with Evil almost everywhere, God Almighty destroyed them with the flood and instructed Noah to build a large Ark to escape such a fate. Many reject this story about Noah and believe it is merely a fable. However there are leaked "Eye in the Sky" top Secret satellites photos, as well as numerous photos taken "on the ground" by explorers on Mount Ararek in Turkey that show remains of what could easily be interpreted as the Ark. there have also been wood samples collected by explorers at the site.

How can this incredibly evil Cosmic Agenda of the Dracos be stopped inside America and their WZ/Israeli Outpost and private mercenary army inside America DHS be defanged and put to rest once and for all?

The solution is probably a lot simpler than one might imagine. It involves the phenomena concentrated "moral density" of "We the People" that is evoked by the emergence of mass populism and a new, higher group consciousness and group concentration on the massive corruption that has overtaken the USG. The Circle of Twelve ruling elites, the Top Policy-Makers that run America and serve as Cutouts for the World Zionists a small cadre of Old black Nobility or believed to be the "Draco Hybrids". It is now known that the mass emergence of a new morality of commitment to the Golden Rule, "Do unto others as you would have them do unto you" is coffin nails to this Draco Agenda to annihilate all those they falsely label as "American Goyim". Any massive diffusion of the truth about their evil and corruption is like throwing water on the Wicked Witch of the East and like pulling back the Curtain to expose the Wizard of Oz (as in Ounce of Gold) or convincing the masses that the King has now no clothes and is actually naked.

DHS is an foreign controlled, WZ/IZCS/Circle of Twelve Israeli outpost in America set up to destroy "American Goyim" on behalf of the British Banksters who have been obsessed with destroying America the Republic and turning America back into a British Colony ever since they lost the Revolutionary War.

Yes, it's true that DHS top leadership is the world's biggest collection of Neo-Bolshevik perverts and potential mass-murderers and foreign based WZ/IZCS infiltrators. Many of their leaders are demon possessed and filled with Draco induced evil and hatred against "American Goyim". And yes, DHS has been set up to oppress and tyrannize "American Goyim" and to systematically capture them, take them to FEMA and other Internment Camps like the Japanese were placed in during WW2. And yes they have been designated as a secret Neo-Bolshevik Zionist mercenary army inside America to be deployed to eventually systematically mass-murder all Goyim in order to fulfill a false Draco induced racial delusion that the Americans are Goyim rather than what they really are, the actual descendents of father Abraham.

The WZs have long realized the need to control the money and the Major Mass media to severely limit any spontaneously emerging mass populism.

The WZs and the Circle of Twelve well understand and greatly fear any emergent moral density via emerging populism in the masses. that is why as soon as they hijacked the American Monetary and Production System in 1913, they used all the money they could create and access any time they needed it to buy up and control, every single major mass media in America.

This process has continued and now all Major Mass Media is fully under their control and has been consolidated into six large international corporations, three of which are defense contractors and three are very large international media corporations but all are completely controlled by the WZ top Policy-Makers appointed by the Circle of twelve.

Federal Whistle-blower Stew Webb was the first to blow the lid off of the Circle of Twelve and expose their evil plan and choke hold on the Major financial and governmental Institutions of America as well as their domination of AIPAC. And he is the only one to ever blow their cover and name actual names.

And yes, the cat is out of the bag, Pandora's box has been opened, the Genie is out of the bottle and Humpty-Dumpty has fallen, broken into pieces and cannot ever be put back together. Despite massive efforts to discredit Stew Webb and jam and hack his popular web site, he has persisted against all odds and appears to now have major Intel protection around him. And lately his credibility has been significantly buttressed by disclosures by other investigative journalists. But it is important to emphasize that his exposure and part in blocking an actual Circle of twelve December 21, 2013 planned human sacrifice along with certain VT principals is most notable and praiseworthy.

Here is the "Bad News" for the WZs, the Draco-human hybrids and the Circle of twelve Denver Bloodthirsty -Ones and the very, very "Good News" for all Americans who love our Great Nation, America the Constitutional Republic.

The newly emergent worldwide Internet is the Achilles Heel of the WZs, the Draco-human hybrids and the Circle of twelve Denver Bloodthirsty-Ones. The reason is that widely diffused truth to the masses truth cuts like a red-hot knife through butter and is like driving a wooden stake through a Vampire's heart. The WZs, the Draco-human hybrids and the Circle of twelve Denver Bloodthirsty-Ones know this and greatly fear this, but are truly powerless to stop it. They have designed more major false flag attacks like 9/11 to stop this but far too many top Military and Intel already know they were the ones that did the Gladio-style inside-job false flag attack on 9-11-01 to allow this to happen.

Exposure of their deployment of the 9-11-01 attack will turn out to be their Waterloo and the major turning point in their coming loss of power and their complete demise.

Yes, it's a fact, the IZCS and the WZs and their Cutouts the NeoCons, the PNACers, and the Israeli-American Israeli-first dual-citizens went for broke on 9-11-01 in order to start a final onslaught to finish expansion of greater Israel and take America into a nuclear WW3 confrontation with the Russians over the Mid East and the Ukraine.

They were successful in the first part of their mission but failed when thanks to the Internet and numerous leaks of Top Secret information "leaked" from very dissatisfied former and current high ranking USG, Military and Intel Officials. Yes, they over-reached and have now been fully exposed and its only a matter of time for this truth to diffuse to mainstream mass America via the Internet Alternative News.

And yes, the apparent End-game of the Dracos is to induce a major worldwide Nuclear WW3 because their long term agenda is to drastically depopulate the Earth in incremental stages and eventually repopulate it with their own creations which like them will have no souls.

The Hijacking of whole peoples, governments, nations and international bodies of governments is the Draco's game and key mechanism of "placing a spell on humankind".

It is important to note that the Draco's main tool of furthering their Evil Agenda is to delude and hijack whole peoples, governments, nations and international bodies of governments. This is done through the establishment of individual "blood contracts" with certain select "bloodline families" and those in those particular families that are judged to already either to be soulless, or easy prey for giving up their souls from riches, fame, and power.

It is important to note that the fake Judaics of Rev. 2:9 and 3:9 have been the main targets of this massive Cosmic hijacking, yet even so most only suffer marginally or not at all from this race based delusion entrained into their minds by the Dracos using the power of Black-Magick, aka the power of ancient Babylonian Magic which was an empire based on leaders who were allegedly Draco-alien hybrids.

And now for a very strange disclosure about a very strange largely unknown aspect of an ongoing Cosmic War (aka Space War) perhaps far too incredulous for most.

As this narrative goes, the pre-WW2 Germans formed a secret alliance with the Tall White Nordic Alien ETs and were allegedly given many technological secrets. Allegedly the Tall Whites are a peaceful group that wanted to advance human kind, and wanted to help Germany rebuild and recover from the damage and punishing war reparation imposed by their arch Cosmic enemies the Dracos through the City of London WZs.

As it turned out, Hitler was a secret agent for the British and was mind-kontrolled at Tavistock Institute in 1921-22, and deployed as secret weapon to hypnotize the German masses, build them up as a warring counter-force to the out-of-control Bolshevik Monster force they created in Russia in 1917. This plan was designed to destroy Germany in an ever-expanding world war with the whole rest of the world, especially America which would also be deployed against them.

This would create massive bank loans due to the WZ Central Banksters, industrialize the world and help to establish a small number of interlocked corporations and oligarchical hierarchies ruling over all of the world's masses. As the Nazis emerged and deployed their alien technology for war, falling into the Draco Trap and drifted into increasing evil, the Tall White abandoned them because there is a certain line they will not cross.

The Tall White Nordics versus the Dracos, a current day, continuing Cosmic War between Good and Evil?

Now here is where the narrative gets very interesting and very, very strange. It is believed by some in highly connected Intel circles that the Dracos have a main representative which has re-emerged on the scene after an absence of many centuries. His recycled name is Marduke, which was supposedly changed from Mars. He was the ancient God of Mars in Greek and Roman mythology. He has now allegedly been crowned the King of Africa and his plan is to depopulate Africa, and start a nuclear WW3 between Russia and the United States using the WZ and Israeli Khazarians to provoke it. His plan is to nuke Jerusalem in the process so that a new joint temple between all the religions of the world can be built on the Dome of the Rock site. It appears that some of the Israeli leaders are starting to catch on somewhat and feel that they are being cut loose by the Old Black Nobility when actually it is the treachery of the Dracos who have their own hidden Agenda in all this which at first glance seems quite complex.

Apparently the Dracos are hell bent on starting a Nuclear WW3 with the Russians. And it has been rumored from Intel sources that the Russian Federation has formed a secret peaceful alliance with the tall White Nordics who have told them, "Don't worry, we've got your back". And now it is rumored that a powerful segment within the American High Military Command and Intel has now been approached by the Tall Whites and is being advised on how to defeat the Dracos.

It may turn out to be that the Dracos will realize that their Agenda as it currently is will fail and they will reformulate a populist based Agenda to hijack the growing, spontaneously emerging worldwide populism and pretend they are the good guys. They may then raise up a very intelligent crafty world leader than puts a spell on the masses and elicits a mass belief that he is the Savior of the world. After three years of establishing a remarkable peace with a new world monetary system that is very effective and is not based on pernicious usury or debt-based fiat "money", he will then perhaps seat himself in the new world temple in Jerusalem, claiming to be the world Messiah and Savior and perform incredulous abominations.

Immediately the world will become engulfed in mass catastrophes and mass death culminating in the rescue by the Tall White Nordics or perhaps as some say will be Jesus of Nazareth, a returning Risen Lord of all. Only time will tell, but it certainly looks like America is headed for a showdown actual Civil War between the Draco driven, demonic DHS and "We the People" many of whom are armed and had about enough of this imported WZ foreign based tyranny, murder by militarized police who are Mind-controlled zombies by their constant-on, pulsed-beam Police radios, and many of whom are now mere puppets and "agents of this Draco-run State".

Could this narrative be accurate?

Now do I believe this information I was able to obtain from what I consider a very good source? I can only say that every other bit of information given me in the past when this story was told has turned out to be true, but such were related to Iran-Contra CIA drug dealing and IZCS crimes inside Chicago and America. As far as this narrative about alien ETs, Dracos and Tall Whites, I really do not know for sure. Nor do I want it to be true. It would seem much easier to accept the idea that the current Crime cabal that hijacked America goes as high as the City of London Banksters only. The idea that they are demon possessed by Evil Cosmic Parasites is a frightening and incredulous concept for the most part. But then so too are all the reports from highly credible former deep-black and beyond-black contractors that there is a secret Space war now ongoing that involves Alien ET's, some of which are exceeding evil and cannibalistic too.

This beyond-black Alien ET Secret Space War narrative I was told creates a problem for me because, based on content, it seemed incredulous to me at the time; but also it seems increasingly plausible as time has passed and more and more corroborating evidence has slowly emerged, especially a notable death bed confession of a man verified to be a highly ranked CIA assistant to President Eisenhower. I can report that the rest of the information provided to me concerning Promis Software and the Iran Contra CIA drug flights proved to be true. One very small part of this Space War narrative was cross-validated to me by a former high-ranking Police investigator who witnesses one small part of the Secret Space War System in the SE United States.

Conclusion:

There has been a small amount of some corroborating evidence emerging from some very credible witnesses, former highly placed deep-black or beyond-black contractors, so it is

possible and we will have to wait and see how it all plays out. But all indications appear to suggest that all secrecy is now ending and every deep secret will likely be exposed in the near future, sooner than later. So eventually it looks like we will all find out the truth as every deep secret is exposed and screamed from the rooftops.

And of course some Christian researchers who have deeply investigated the Nephilim, or fallen ones, aka the "Order of the Snake", or the Fallen Serpent/evil angel and who accept the Biblical view of reality, believe much of the disclosures in this article to be true with one major addition. They believe that Jesus Christ is the only Begotten Son of God, died on the cross to destroy the sins of Mankind, rose from the dead and will return again. Not as a deceptive Antichrist and fake Christ which morphs into pure evil as soon as he gains world power, but as the Lord of all who comes back as the one and only true Messiah Jesus Christ to rescue mankind and put an end to this evil Cosmic Parasite that has descended on earth to test all mankind. How interesting it will be to find out if these folks are correct -- or not -- as the future rapidly unfolds.

*** The source for much of this information "may have been" from the personal attorney of a former DCI. Only recently did it become possible to publish an article covering these subjects and credit must go to Gordon Duff and the Editors of Veterans Today for allowing such an article. Perhaps some will understand why such an article was not possible until several years ago and why it can now be published on Veterans Today. This suggests a major weakening of the Bush Crime Cabal based on the hidden masters of the IZCS and WZ and their previous almost total control over all American institutions of Government. Please understand that the Editors of Veterans Today do not necessarily agree with anything in this article nor does it represent any official position of Veterans Today in any way. My thanks to the Editors of Veterans Today for allowing such an article which is so highly controversial at so many levels.**
