Dr. Dara Park

Dr. Park is Soil and Water Specialist at Clemson University. Received her BS and MS in Biological Sciences at Florida Atlantic University. Received her PhD from University of Florida. Dr. Park teaches Introduction to Soils and Soil Management at Clemson. Dr. Park has extensive work on cultural management effects on quality and performance of golf course grasses, maximizing water and nutrient use efficiency of turfgrasses, and identification and management of irrigation water issues.

Mike Echols

A Charlottesville, Va., native and former student-athlete on Clemson's golf team. Mike has a BS in agronomy with emphasis in turf grass management. Mr. Echols had been in the landscaping business for a number of years before becoming Clemson's athletic field manager which he has also done for a number of years. Always professional and praises his staff for a job well done.
