### **WHAT IS HAVURAT?**

When the synagogue started in 1981, the founders were essentially a group of friends determined to live an authentic Jewish life. The origin of the synagogue was in the study groups that met twice a month in various homes. As we met and studied Torah, the hosts would invite their friends and neighbors, many of whom were not religious at all, and who had not participated in synagogue life before. The groups grew rapidly, and so did the observance of mitzvot by their members. At these meetings, two factors were always present: a desire to learn about Judaism, and an appreciation of the friendships that were being developed. This latter aspect is what led us to call the synagogue Havurat Yisrael, with the meaning of havurat being “friendship.”

This characteristic of friendship and camaraderie continues to animate Havurat. One can see this in the lingering of people after the Kiddush on Shabbat, the happy celebration of milestones in each other's lives, the willingness to spend time to teach people Hebrew, or guide them in other issues such as health or legal areas; wherever you turn you will find a Havurat member helping another. This tradition of Havurat has remained the emblematic trait of our community. This bond created among its members endures even when people move away from the neighborhood. From Long Island to Israel and across America, our members keep in touch, support the synagogue with contributions, or help with tasks such as maintaining the website, and editing flyers or the weekly news. Havurat is never far away from anyone who has spent time here.

The love felt by members of Havurat Yisrael for our community is expressed especially in the way people are willing to help whenever they can, and our honorees of tonight exemplify these traits of generosity and readiness to serve.

Our gabbai, **Marc Rose**, a constant presence in all our minyanim, leads prayers, remembers the Hebrew names of our members and their extended families, and is always thoughtful about the welfare of our synagogue. His wife **Karen** is always attentive to newcomers and greets people with grace and warmth. Karen was the first person to make a significant contribution to our Building Fund after the synagogue collapsed in 1998, and this remains as her merit to bless her and her family.

We are very fortunate to count **Carol Krohn** as a volunteer worker in the office. Whether she is computing numbers or editing papers and answering the phones, Carol has become an indispensable part of our office, and her vast experience has helped to improve the organizational aspect of Havurat.

**Daniel Cohen** is the engine that starts and moves all our Journal campaigns. His dedication to obtaining ads and his vision to find new advertisers is legendary. His announcements of page numbers during services are another indication that shows his great love for Torah and our synagogue. This is an honor that we are happy to bestow on him with all our affection.

This is Havurat, and tonight we thank you for your support to enable us to keep this friendship going.

*President's Message*  
by  
*Jack Goldhaber*

Celebrating Havurat Yisrael's 42nd Anniversary Journal is a sure sign of the strength, vitality, and vision of our synagogue. Your presence here this evening and contributions to the shul have helped us maintain our Shabbat, holiday and daily services and enabled us to continue to be a source of strength to the Forest Hills community and beyond. From its inception, Havurat Yisrael has served the community and the Jewish people by creating a unique, warm, and welcoming environment that nurtures the Jewish soul. From the baal tshuva to those seeking ever higher levels of spirituality, our regular programs as well as our kiruv programs have continued to be very successful.

The one activity that has been the bedrock of our shul has been our education program. We attribute this success only to our Moreh D'Atra, Rabbi Algaze. With renewed vigor, Rabbi Algaze continues to provide the daily Talmud class, the weekly Parsha class, the Mishna class before Shabbat Shacharit, and the Shabbat Mincha shiur.

Rabbi Algaze's tireless efforts have been the key to the continuing vibrancy and communal link that Havurat Yisrael has provided in these challenging times. This is the legacy of Havurat Yisrael. Over the last forty-two years, we faced many challenges. However, with members of the congregation,

including our honorees, **Marc and Karen Rose, Carol Krohn and Daniel Cohen**, we have always been up to the challenge.

*Im tirzu ain zu agada.* Theodore Herzl's famous slogan, "If you will it, it is not just a dream," has always been the motto of Havurat Yisrael.

Havurat Yisrael will continue to maintain its single-minded objective: to be a key place in Forest Hills that every Jew can enter to pray, to learn, and to grow spiritually.

It is with great pleasure that I welcome you to the Havurat Yisrael Journal Celebration.

## *Marc & Karen Rose*

Marc Rose has been the Gabbai and Vice President for congregation Havurat Yisrael for over 20 years. After moving to Queens from Brooklyn when marrying Karen, he quickly joined the Havurat community and flourished. He has been a "minyanaire" devoted to attending morning minyan each day for many years, and as a Gabbai, he has an uncanny ability when at the bimah to remember people's Hebrew names and the names of their parents and family members, as well. He has worked on fundraising and also worked on maintenance of the various buildings utilized by Havurat Yisrael throughout its many locations over the years. He participated in finding professionals to build the current shul's skylight and create our sukkah's outdoor space with perimeter lighting. He has been both a shul student and teacher for various courses held inside the building and on Zoom.

Marc is a graduate of The Cooper Union School of Engineering and worked for the M.T.A., the New York City Transit Authority, for over 28 years. Recently retired, his part-time/volunteer passions included tax preparation, U.S. Census work, kosher meal distribution at Masbia, and assisting "friends in need." He is the beloved husband of Karen Fadem Rose, and they are the proud parents of twin daughters, Rachel and Kayla.

Karen Fadem Rose has been a committed congregation member of Havurat Yisrael's family since the early 1990's. In her early years, she participated in the neighborhood's Shabbos Club, and after marrying Marc, was part of H.Y.'s Sisterhood. She raised their twin daughters with a Jewish and Hebrew education and the love of HaShem, all through the support of Rabbi Algaze and the Havurat Yisrael family. Over the years, she has hosted many guests for holiday and Shabbos meals and housed visiting people as well. She enjoys music and cooking.

Born in Lakewood N.J., Karen has lived in Forest Hills/Rego Park since she was 6 years old. Karen is a graduate of Columbia University School of Nursing and Adelphi University RN Refresher. These past 8 years she has been employed by the Department of Health and Mental Hygiene in School Health. Her distant background included post-op surgical care, E.R. and employee health, which made way to Jewish summer camp nursing and more recently School Health as her own children grew. "I always chose an observance-friendly work schedule," allowing for observing, participating and celebrating Shabbos and Jewish holidays. "My family and strong good religious values always came first." During the Covid-19 Pandemic, Karen was redirected by her employer to return to hospital work and the public health vaccination initiative. Never skipping a beat, she persisted when others remained home. She worked "dressed like an astronaut" when true tragedies were at a peak. "Now more than ever, I thank HaShem Yisborach daily for health and wellbeing, and opening all of our eyes to the wonders of HaShem, the value of life and health, and the sadness of death."

Marc and Karen sincerely thank Rabbi and Tamara Algaze, the Journal Committee and the Havurat Yisrael family for this honor. "May you all go from strength to strength."

*Carol Krohn*

Carol Krohn is a native New Yorker who grew up on Long Island and has been living in Forest Hills for over thirty years. She graduated from the University at Albany with an Accounting degree and, while working in public accounting, attended New York University at night and received an MBA with a concentration in Taxation. Carol is a retired CPA and spent most of her career working in the field of Corporate Taxes at Avon Products.

Over fifteen years ago, Arlene Ross introduced Carol to Havurat Yisrael. Arlene invited Carol to attend an Oneg Shabbat at Rabbi Algaze's house. Carol immediately noticed what a relaxed and friendly atmosphere it was and how welcoming Rabbi Algaze and the other guests were. She began attending Havurat's Shabbat morning services held at various locations in Forest Hills during the shul's nomadic phase. Although these temporary locations may not have been as comfortable or ideal as Havurat's own permanent location on 70th Ave., Rabbi Algaze and the shul's members were not deterred and always made the best of the situation in order to keep the congregation together and moving forward.

Carol enjoys volunteering at Havurat Yisrael and assisting in the management of its office. It has given her an opportunity to meet many new people and get to know better the shul's members. By becoming involved in coordinating Havurat's religious, educational and social programs and yom tov activities, she sees firsthand how much Havurat enhances Jewish life in Forest Hills.

Havurat Yisrael is a very unique and special institution where people from different backgrounds and levels of observance come together to form a close and supportive community. Carol is grateful that she has been so welcomed as part of the "Havurat family".

## *Daniel Cohen*

Daniel Cohen is originally from Hollis, Queens. He and his parents, brother and sister have always been close and helped each other, and he calls and visits them as often as he can.

One night in 1992, while walking in Forest Hills, Danny passed a synagogue he had never noticed before. The building looked nice, so he decided to go inside. The people he met had a warm, welcoming attitude, and he made many friends. He loved the services and Rabbi Algaze's sermons. Danny especially values his relationship with Rabbi Algaze and feels that he can talk with him about any issue.

Danny has fond memories of dancing in the park across the street on Simchas Torah, and Perek in the Park. He especially enjoyed the lectures that Rabbi Meir Havazelet z"l used to give on Shabbos afternoons, and the songs we sing at shalosh seudos.

Danny has always been eager to help the synagogue whenever he could, for example, by answering the phone in the office and working on the Journal Campaign and other shul events. He calls out the pages of the siddur during services, and will ask men to join us to make a minyan when necessary. Being able to bless the congregation as a Cohen during duchening makes him very happy.

Danny not only works to help the shul, but he also makes special efforts to motivate and encourage others to participate in supporting and promoting the success of our synagogue. Havurat Yisrael has long benefited from Danny's enthusiasm and energy, and his concern for the wellbeing of the synagogue and all its members. It is fitting that we now pay tribute to him by honoring him at this evening's celebration.

# A BRIEF HISTORY OF OUR SHUL

It all started on a Purim night in 1981, when young families thirsting for spirituality and a genuine voice of Torah formed this beautiful congregation. We were told that we would not have a long life since we possessed no physical building and there were no empty spaces to build in Forest Hills. Yet by Hashem's will we found not only a wonderful space but it was located in the geographical heart of the neighborhood, allowing us to be home to people on both sides of Queens Boulevard! Mr. Solomon Oliner, z"l, had a special role in this, and may his name be always remembered for good.

*Our beginnings were humble in material things but rich and blessed in matters of the spirit.*

From our midst arose many rabbis, teachers and families who became observant and knowledgeable in our tradition. Whether in Israel, Latin America or any corner of the United States, there is hardly a place where we do not meet people who started their Jewish life at Havurat or did not hear about us and our activities.

It all began in January 1981, when a group of the recently formed havurot that had been organized by Rabbi Algaze initiated a strong protest to some ritual changes at the Forest Hills Jewish Center. This ultimately led to the exodus from the Center and a decision to follow Rabbi Algaze and create a new synagogue. A declaration of "independence" echoing themes of the founding of America was quickly drafted that attracted many others to this new group. At the home of the Amini family, some 30 families gathered on March 26 (21 Adar II, 5741) to incorporate the synagogue to be named Havurat Yisrael in honor of the havurot that had been at the front of this new movement. From place to place, from the Sephardic synagogue on 108th Street to the Senior Center on Austin Street and the Forest Hills Inn, we finally secured a place at the Continental Theater for Shabbat morning services. The Aron Kodesh was kept behind the movie screen and an arrangement was made for those men and women who preferred to sit separately. The morning services usually ended with the singing of Adon Olam and the aroma of popcorn as the theater was regaining its function. As we exited the theater, some would ask, "How did you like the movie?"

That first year we inaugurated our first Sefer Torah with a festive parade down Austin Street and a dedication at the Russell Sage Junior High School, concluding with a gala dinner at the Jewish Museum in Manhattan.

The last week of the summer brought many families to our first camp experience, this time at Camp Bournedale in Cape Cod. This was a foundational experience that cemented many friendships and gave Havurat the full flavor of friendship and camaraderie that would characterize it forever. The first High Holy Days services were held at the Midway Theater on Queens Blvd., which then consisted of two large halls. We occupied one of them with an attendance exceeding 400 people, and the other where children could relax and run around. It was a hectic time. It was an exhilarating time.

A strong bone of contention was the building of a mechitza, which had been Rabbi Algaze's intention from the start. It was sternly opposed by many in the congregation. After numerous classes and discussions, it was moved to install it on Hanukkah while at the Continental Theater.

A simple red velvet rope used to demark lines for people waiting to enter the theater was used to divide both sides of the aisle, with men sitting on the right and women on the left. Sadly, a few families opted to leave the synagogue never to return, but those who chose to stay saw their families grow in Torah and mitzvot and were privileged to see their children and now grandchildren studying in yeshivot and having fully observant families. This was the direct result of their decision to live a Jewish life in accordance with the Shulchan Aruch, which had been the stated purpose of the founding of Havurat from the first day. Today, many families recall those days of tensions and are grateful for what Havurat Yisrael and the Rabbi did for them.

Celebrations were always full of enthusiasm and cooperation. Purim was welcomed with dozens of people adding decorations to embellish the place, and Simchat Torah was effervescent and not contained within a building, often bursting into the street and MacDonald Park. On one occasion even the Mayor of the city came to see our festive dancing at the Park, but always our Simchat Torah was the place to be in Forest Hills and adjoining neighborhoods.

We built our shul on 70th Avenue in 1982, inaugurating our space on Rosh Hashanah. The building was simple and without luxury, but it was the host of many extraordinary programs. A yeshiva created by Rabbi Algaze together with Rabbi Eliahu Benhaim functioned every afternoon, and it invited laymen to study with them in the late evenings. It was here that some rabbis were first formed, including Rabbi Daniel Travis, Rabbi Haim Alcabes and Rabbi Yitzhak Benroubi. Important personalities visited us, including the Chief Rabbi of Israel, Shlomo Goren who became a regular featured speaker when he was in New York, as well as Rabbis Mordechai Eliyahu, Avraham Shapira and Rabbi Ovadia Yosef z"l. Many political dignitaries visited us in those early years, including Senator Alphonse D'Amato, Rep. Charles Schumer, Governor George Pataki, Mayor Rudolph Giuliani, and numerous figures from the Jewish world.

A legendary concert by Shlomo Carlebach was held in 1987 when over 700 people attended and danced enthusiastically till late hours of the night. In 1984 a second Sefer Torah was dedicated by our President Yehudah Goldfeder z"l at an event attended by the Rosh Yeshiva of Chofetz Chaim at an impressive dedication ceremony.

Havurat was innovative and creative beyond its time. A Singles group, largely unknown in Orthodox synagogues, was formed that created some beautiful Jewish marriages. A Beginners' Minyan was held every Shabbat, and a Drop-In-and-Learn with students of the Chofetz Chaim on Thursdays that attracted hundreds of students. A week-long Summer Camp retreat and a Ski Shabbaton every year were among the most innovative programs developed at Havurat.

After some years of expansion, we had the privilege of having a committee headed by Mr. Sol Givner, z"l, and yb'l, our own Rafi Katz, who renovated our shul in great form and style in 1992.

After a few years, however, our building was compromised by nearby construction and the city condemned our property. This was in August 1998, precisely on the day when a new Aron Kodesh, built in Eretz Israel and dedicated by the Sosnowik family, had been placed on a ship going to New York. The story of the Aron is emblematic of the story of Havurat. Exiled from its place, stored in uninviting conditions, the aron survived and even

prospered. The aron, stored in a warehouse in Long Island for over 15 years, when unwrapped was, to the amazement of carpenters and others, in perfect condition. Like the story of Havurat itself, this was truly a miracle.

After the city closed our old building, we moved from one corner of Forest Hills to the other, from the Central Queens Y on 108th Street, to the basement of Dov Revel Yeshiva, a house on 70th Road, the shtiebl on 69th Road, and finally, with the work of the Rebbetzin Tamara Algaze, we rented a little storefront on Austin Street that vibrated with energy every Shabbat. Every place offered us a welcome and yet we felt comfortable nowhere. As the Jews who left Jerusalem sang, “how can we sing in a land not our own?” we too dreamed of return and could not sing anywhere else but in our old home. We actually tried to sell our property several times, but Hashem did not let us. Like the dreamers in Psalm 126 (Shir Hama’alot) by the grace of Hashem, we now have the great merit of seeing our dreams fulfilled and have returned home. We often referred to the 15-year gap as reminiscent of the Second Temple, the construction of which was also stopped for 15 years. May Havurat Yisrael too be a beacon of light to those who enter our synagogue and may it continue to spread holiness throughout the community for years to come.

# **THE HAVURAT YISRAEL IDEA - WHO ARE WE?**

Havurat Yisrael was born on Purim night in 1981, when a young rabbi, David Algaze, created a veritable revolution in Queens, leading a group of mostly Conservative Jews onto a path of learning and inspiration that was to become one of the leading Orthodox synagogues in New York. The smell of popcorn that permeated the early services – held in a movie house on Austin Street, Forest Hills – became the talk of the town as well as a symbol of the innovation, warmth and originality of this Torah center.

The early activities of the synagogue were the creation of a camp retreat in the summer, a ski Shabbaton in Vermont in the winter and a host of new ideas and programs in between. The common aspect of all these programs was the desire to reach Jews of all backgrounds in every environment and every venue that they felt comfortable. Although this concept raised many an eyebrow at the beginning, many communities were soon adopting its programs and vision. Rabbi Algaze advocated the idea that a synagogue needs to be more than a house of worship in the formal sense; it must serve as a bridge and a path to discovery. Havurat Yisrael was founded on the idea of creating a community of learning and experience that will facilitate the path of teshuvah. Until today, you can enter a program at Havurat and feel that there is something special in the air. Some call it warmth, others friendship, but the real secret is: community (havurah).

Havurat initiated the first outreach programs in Queens. The first Beginners' Services and the first Turn Friday Night into Shabbat dinners were held there. The synagogue became a hub for singles throughout the metropolitan area and Rabbi Algaze has made numerous shidduchim through these gatherings and shabbatonim. One of the most successful bridges has been the one that connected people with a yeshiva background and people who did not know the aleph-bet. The sense of duty and service to Am Yisrael is one of the distinguishing traits of a Havurat Yisrael member. Acceptance, the courage to innovate and accept diversity create a very profound atmosphere of unity of all Jews.

The “Drop in and Learn” program that was developed in conjunction with

the Chafetz Chayim Yeshiva soon developed into a half-day Kollel under the leadership of Rabbi Eliahu Benhaim and Rabbi Algaze. This kollel was to produce several talmide hahamim and rabbis who are serving communities in Israel and Latin America. It is no wonder that groups of “alumni” of Havurat keep in touch with the synagogue regularly and proclaim its uniqueness.

Havurat has always lived beyond its walls. Spilling with joy onto the streets during Simchat Torah or offering a Perek shiur in the park in summertime, distributing mishloach manot on Purim or hanukkiot on Hanukkah to passers-by have endeared the synagogue to its host community and enabled Havurat to continue to attract more Jews to Torah and mitzvot.

Havurat Yisrael believes that communities need bridging and connecting. It is therefore not uncommon to find at Havurat a mix of people in Hasidic garb mingling with people in jeans, Sephardim and Ashkenazim praying in an atmosphere of acceptance and sharing, people speaking different languages communicating with each other. But perhaps the most significant bridge has been to Eretz Israel. Havurat has always promoted an agenda of involvement in social issues and especially a connectedness and active involvement in the matters that affect the people and the land of Israel. Havurat has served for many years as the forum for many distinguished visitors from Israel, from politicians to rabbis, roshe yeshiva and activists. All have encountered an audience ready to learn and ready to act. That may be the most apt definition of Havurat: “learning in order to do”.

# THE HAVURAT YISRAEL FAMILY – WHAT WE DO

Learning is the foundation of Havurat Yisrael. From early morning till late at night, the classes, lectures, seminars and informal discussions shape the Havurat landscape. It is a place vibrant with intellectual stimulation and spiritual elevation. From the Learn to Read Hebrew class to the class in Spanish, from the Parashat Hashavua class to the advanced Gemara shiur, there is a class for every level. The courses service a diverse community that includes young single adults, young marrieds, and newly arrived immigrants from Russia or Latin America. There are courses to accommodate the needs of these diverse groups.

A full range of family-oriented programs that appeal from the oldest to the youngest members of the family are offered in order to strengthen the ties that bind us together and to utilize the opportunity to learn from one another. Special dinners around the holidays allow people who would not have the ability to share in these experiences to enjoy them at Havurat. They include meals at Rosh Hashanah, Pesach Seders for the community, Tu Bishvat Seders, Lag Ba'omer celebrations and parties and hagigot for every occasion in the Jewish calendar. Even during the all-day fast days, there is learning and lectures by guest scholars. Rabbi Algaze has always encouraged the involvement of other rabbis and teachers in this enterprise and Havurat has been very lucky to have many distinguished rebbeim and lecturers in its history.

Rabbi Algaze saw long ago the need to incorporate singles in a full way in the programs of the synagogue. Havurat was the first synagogue in the area to offer single memberships and made every effort to make singles feel comfortable in the synagogue. Havurat organized shabbatonim and trips to help singles meet. Rabbi Algaze created Priority Dating based on the concept that self-discovery precedes the finding of a soul mate. In his career, Rabbi Algaze has made well over 100 shidduchim.

During the Covid period, he has given many new classes and lecture series via Zoom. He has devoted much time and energy over the past few years to classes in Spanish that reach not only students in the New York City area but

also students located throughout the Spanish-speaking world, including in Colombia, Bolivia, Spain, and other countries. His eloquent and meaningful commentaries on the week's Parshah and other subjects provide a solid grounding in traditional sources for a wide variety of students. He created the foundation Portal al Judaismo that offers classes in Spanish throughout the world and also supports emerging Jewish communities in Latin America.

## **A BRIEF HISTORY OF HAVURAT YISRAEL**

Created in 1981 by a group of young people eager to return to the authentic voice of Judaism. Led by Rabbi Algaze, the congregation grew into one of the prominent centers of Jewish life in New York. The synagogue came to its original building in 1982 and there it attracted hundreds of families that would have been otherwise lost to the Jewish people. Several thousands of individuals and families owe their start of Jewish allegiance to Havurat and, although some of them have moved away from the community, they have retained their love and gratitude to Havurat and Rabbi Algaze. Among its "graduates" are rabbis, teachers, administrators of Jewish schools and authors as far away as Latin America and Israel. In 1998, due to a building collapse, the synagogue endured its most difficult challenge: exile. Yet, with G-d's help and the loyalty of its members, Havurat has miraculously returned to its original site after 17 years of wandering. Our new and comfortable building is once again open to Jews of all levels with inspiration and joy. This is the message of Havurat: that the resilience of the Jewish people has maintained our people in challenging times and that the message of Torah will not perish. We invite you to join the campaign to bring more Jews to our tradition and to strengthen Am Israel.
