

Walker Elem. Delivers almost 2000 items to The Little Closet Community Food Pantry

The Little Closet Community Food Pantry is named in memory of Pearl Williamson (2/26/1913 - 2/17/1998), Johnny's mother, who lived her life feeding all she came in contact with.

Walker Elementary School Rambassadors

Samantha, Alabama - Monday morning, Donette Hunneycutt, counselor at Walker Elementary School, Ben White, Vice Principal and nine Rambassadors delivered almost 2000 food items from their recent food drive to benefit The Little Closet Community Food Pantry in Samanta, Alabama. The students checked the expiration dates and stocked the shelves to get the pantry ready for distribution to families who need a little handup. "We are so thrilled with the amount of food they raised. It will help the pantry out tremendously! We appreciate the faculty, staff, students and all involved with helping make this food drive such a huge success," said Kathy Anders, Board President.

The pantry is open to public on the 4th Tuesday of each month from 4:00 - 6:00 p.m. for residents living in the Samantha community. You can contact the pantry at (205) 534-3104 or by visiting their website at thelittlecloset.org. The Little Closet is a ministry of The Johnny Williamson Good Shepherd Foundation, a (501)(c)(3) Organization. It was named in memory of Pearl

life feeding all she came in contact with. She had a "little closet" in her home where she kept canned goods she had raised in her garden. She would always tell anyone who visited her home "to go in the little closet and get you something before you leave". Becky Williamson-Martin, Co-Founder of The Good Shepherd Foundation encouraged the students to do good deeds for others. "If we pour our lives into the needs of others, it will outlive us, just like Grandmother's impact on our lives continues today. Daddy fed the community through his massive gardens like she did and now, we are doing the same thing. We do it a little different. We don't grow it. Instead, we are using what they taught us and partnering with sweet-hearted neighbors like you guys to help feed those in need", she said. It was a very good day for such a huge act of kindness from Walker Elementary as it would have been Grandmother's 105th birthday today - February 26th.
