Physical Therapist Stephanie Ford will continue to see patients in both the Indianapolis and Lafayette offices through May 8, 2025. Audiologist Michelle Koley will continue to see patients in the Indianapolis office through May 16, 2025.

The Indianapolis office will be closed and unoccupied by May 30, 2025. So for any urgent needs in the Indianapolis office area, you will need to contact your primary healthcare provider, call 911 or visit an Urgent Care or ER facility.

Please refer to our website www.BalanceMD.net for updates regarding where you may be able to continue care with Sam Plitt, PA, physical therapist Stephanie Ford, or audiologist Michelle Koley.

It has been a pleasure to serve you, and the team at BalanceMD and IHS at our Indianapolis location wish you good health in the future.

Sincerely,

Dr Scott Sanders
