Dear ASA Families,

This letter serves as follow up to the one that was sent home in Friday's Virtual Envelope, and which is attached again for your convenience. As we continue to meet and plan for how the Coronavirus could affect our school, we need to determine how our home-school partnership will function. Our goal is to keep the disruption to learning at a minimum. In the event that the school must close for a period of time, we need to know if your child/ren will have access to both a computer and the internet. Please complete the attached mini-survey and return to school no later than Thursday, March 12.

Thank you in advance for your assistance.

Yours in Christ,

*Joan E. Matys*
