JANUARY - JUNE 2021

## GREETINGS!

YES! 2021 HAS ARRIVED AT LAST!

These last 9 months have certainly been challenging times.... And now that we are embarking into a New Year, we have a fresh opportunity to begin anew applying the powerful lessons that have been learned. Have you reawakened to discover that your priorities had been skewed, found that what seemed so important before is now somewhat irrelevant? Remembered the simple gifts that a busy life had taken for granted? Reevaluated the family connections and found so many more blessings than you noticed before... Looked at our society's peoples who have been dedicated to servicing the basic needs of humanity with a greater respect? Found a stronger need for connection with our animal friends? Been the recipient of a gift of kindness that you never thought you'd need? Prayed more because you have so much to be grateful for or because you don't know what else to do? Had to think "outside the box" to do your job, to shop for your needs, to parent your children or to help your parents? Discovered that your coping mechanisms need to be upgraded to adjust to the rapid changes happening almost daily? Found a fragility in our country and it's principles that never seemed possible? Had to remind yourself to stop and breathe... 2021 gives us a chance to move forward into this new year and utilize the gifts of our painful lessons.... wisely. How have you/ will you grow from this last year? Can you make choices that reflect the inherent worth and dignity of all beings? Will kindness and compassion be the lessons we apply so that we make our homes, communities, our country and our world a better place for all? Each of us has a unique path and gifts to share. What will yours be? There are no accidents or mistakes. The Divine has a plan and you (and I) are an integral part of that plan. Let's together, make it a world where we can all be loved and valued and blessed. May this year be filled with wonderful transitions to a world filled with joy!

**Reiki** is Universal Life Energy that treats the whole person: physically, emotionally, mentally and spiritually. A Reiki treatment is a powerful but gentle

catalyst to healing. Treatments are very relaxing and stress reducing. Reiki promotes movement when feeling stuck or blocked. Regular treatments can help manage chronic conditions. We offer a variety of Reiki styles including Usui, Karuna, Multi-Dimensional Healing and Holy Fire III Reiki.

**Hypnotherapy** is a state of intensified attention and receptiveness with an increased responsiveness to an idea. Assists in increasing motivation and/or altering behavior patterns such as smoking or pain management, resolving anxiety and phobias, heal childhood/traumatic past, regression therapy, clarifying souls purpose, etc.

**Integrated Energy Therapy** provides gentle yet powerful support for survivors of childhood traumas such as abuse, alcoholic and dysfunctional families. Clears energy blocks that limit your purpose, prosperity and creativity. Painlessly identifies and releases suppressed feelings / core cellular memories.

**Magnified Healing** heals the nervous system, heals and stimulates spine, heals karma, cleans and clears the chakra system and heals the light body and prepares one for ascension. Heals the Earth. High frequency healing from God Most High of Universe.

**Soul Retrieval** reclaims “parts” of self via energy work or hypnosis facilitated to bring more balance and wholeness to you and your life.

tal Healing, Flower Essences, Hypnowaving, Akisni Healing, etc.
