DUDS1000 VIEWER	Stand Away	132°	Plastic	2-3/8"	087677

### HINGE REINFORCEMENT

M

- Hinge screw is used to prevent closed doors from being removed from their hinges when the hinge pins are removed
- When the door is closed the protruding head of the screw enters the corresponding screw hole on the other hinge plate to prevent door removal

MFG #	EZ #
HINGE SCR	039707

### DOOR & JAMB REINFORCER KIT

- The two steel bracket system is bolted from the inside to the outside of the door and jamb
- System acts like a vise equalizing the force of an attack over the entire door and door frame which helps prevent the splitting of the door and door jamb
- "Security" is inscribed on the outside plate to act as a visual deterrent
