Dear Board Members - According to **CGS § 47-250(b)(9)**, instead of noticing and holding a meeting according to the Association's Bylaws, the Board of Directors may act by two-thirds consent as documented in a record authenticated by all Board Members, and the Secretary or designated agent must promptly give notice to all unit owners of any action taken in this manner.

With that said, and after speaking with President Al Mallozzi, I would like to bring the approval matter to a vote of the Board of Directors:
