

The Welcome Home Newsletter

December 2022

WELCOME!

We bring community services and businesses to new homeowners.

Meet our Team

We enjoy personally greeting new homeowners, presenting them with gift bags and community information, and making certain they feel welcome to the neighborhood. As a result, new homeowners have been introduced to merchants and their businesses have flourished. Our representatives are friendly and outgoing people who are very knowledgeable about their communities and familiar with the businesses they represent.

Christmas Blessings! *From our home to yours*

Business Spotlight

Darryl Wischnewsky, Owner and President of the Bayway Auto Group, is not new to the car business. He started his journey as a salesman at a dealership in Crosby, TX back in 1975. He spent the next 11 years progressing his career and developing his extensive knowledge of providing outstanding customer service.

At Bayway Cadillac of The Woodlands, your experience begins in their new state of the art facility or with a remote test drive. They bring the vehicle to you at your convenience and can even complete the paperwork online. You will get Premium Pickup & Delivery; they will pick up your vehicle for service whether you need warranty work or just simple maintenance. They have a wide range of makes and models for you to choose from, along with an award-winning service department.

After committing to superior customer satisfaction, the Wischnewskys expanded the Bayway Auto Group to include other dealerships. The Bayway Auto Group has grown and expanded rapidly around the Greater Houston Area ever since.

The Bayway Auto group is excited to bring a Cadillac dealership to The Woodlands. They are a family owned organization that prides itself in providing excellent customer service. Darryl Wischnewsky says it best, "Come be a part of The Bayway Family."

"I met an elderly couple from Wisconsin. The wife and I were sitting on a bench on the front porch when her husband drove up. He is so excited about a Home Depot being five minutes from him, he goes every day! She said they used to live a good 30 to 40 minutes away from one, so she thought it was hilarious!"
