## Delivery Address for Your Tax Statements

As a licensee, if you have moved recently, it is important that you update your address in NIPR. Did you know you can choose the physical mailing address to which the SLAI delivers your tax statements? [Send us an email](#), to let us know.

### Before You Unsubscribe...

If you are an Illinois surplus line licensee and want to see fewer emails (we only send about six to eight emails per year!!), update your preferences so that you only get "Bulletins." In our 37-year history, we've only issued 49 bulletins -- that's *less than 2 per year!*

Since the Illinois Department of Insurance relies on us to communicate important changes in laws, regulations and procedures to you, it is important that you **do not unsubscribe from the Bulletins list**. If you do unsubscribe, you will miss critical compliance updates.
