

# BOON SUPPLY

FALL | HOLIDAY 2019

<b>B</b> <sup>SP</sup> <sub>LY</sub>	<b>boon (def.)</b>
<b>Extremely useful, beneficial, or helpful</b>	

Boon Supply, formerly Mixed Bag Designs, is a merchandise fundraising company on a mission to re-energize the world of fundraising by pairing incredible technology with inspirational fundraising consultants and great products that make life better. This trifecta plus the 40% giveback to any fundraiser of choice creates exceptional results for the causes people care most about. Together, we've given over \$100 million to date.

— A NOTE FROM OUR CEO —

I bought Mixed Bag Designs, a merchandise fundraising company, in 2017 because I saw two exciting opportunities that inspired me. First, the ability to bring a fresh point of view to merchandise fundraising, and second, to further activate shopping as a vehicle for raising funds to transform schools and communities that are deeply in need.

I believe in the power of the Doers in the community: the people who tirelessly give of themselves to help their local community. The beauty of this fundraising model is that it allows everyone to become a Doer: the fundraiser creator, the teachers, the parents, the sellers, and the customers/supporters. When everyone does a small part, we join together as a community to make big things happen.

I also believe building community contributes to happiness. The more we join hands and collectively contribute to the greater good, the more fulfilled we become every day.

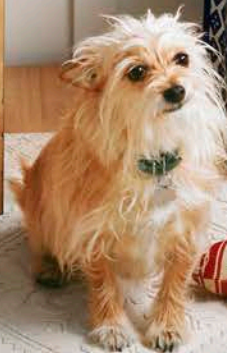

Here's my thinking: if you're already buying products you need and use every day, why not have that purchase fuel what you care about most?

Thank you for being a Doer in your community and for being part of #TeamBoon.

Warmly,

# STREET SMARTS
