(U.S.A.C)

MODEL: Pennsylvanian

HAND: Right

DRAW WEIGHT: 44#

AMO LENGTH: 60"

PRICE: \$99.00

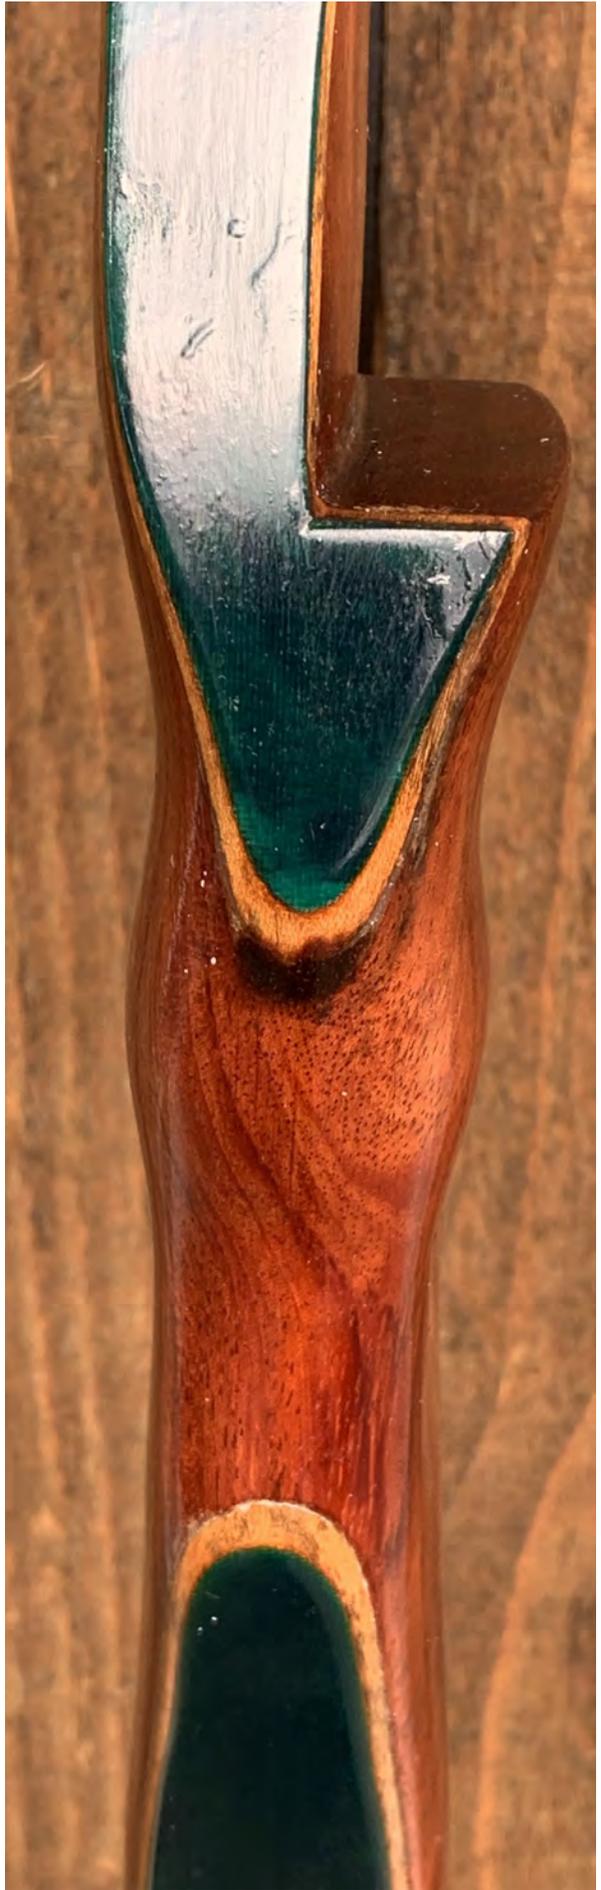

SHIPPING & HANDLING: \$19.00

TOTAL COST: \$118.00

DESCRIPTION: Here is a serviceable USAC Pennsylvanian all-purpose re-curve. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in good condition. The back of the very top of one tip had some fiber-glass missing, and was replaced with a replacement piece (see pic on last page). Tips are very stable and there are no structural issues with the tips. Bow has no drilled holes; no chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a pretty really nice bow for its age.
