

Lyrics for **Singalong with Trudi Fabulous February!!!**

***Thanks for joining me for
a Mini-Singalong!
Have fun!!***

In this program, we'll be happily singing to simplified-unedited-living room-versions of some favorites. The harmony and backup accompaniment are tracks I pre-recorded, (except for *That's Amore* which uses a karaoke track). Songs include (in honor of Valentines): 1. You Are My Sunshine; 2. You, You, You; 3. That's Amore, 4. Let the Rest of the World Go, 5. By the Light of the Silvery Moon, and 6. Always; (and for President's Day): 7. God Bless America.

1. YOU ARE MY SUNSHINE!

Popularized by Jimmie Davis and Charles Mitchell^[1] in 1939. Authorship debatable!

You are my sunshine, my wondrous sunshine.
You make me happy when skies are gray.
You'll never know dear, how much I love you.
Please don't take my sunshine away.

You are my Valentine, my special Valentine!
You make me happy when skies are gray;
You'll never know dear, how much I love you.
Please don't take my Valentine away!

2. YOU, YOU, YOU!

Published in 1953. Music by Lotar Olias, original German lyrics by Walter Rothenberg, with English lyrics by Robert Mellin. Popularized in the US by the Ames Brothers.

You, you, you, I'm in love with you, you, you.
I could be so true, true, true to someone like you, you, you.
Do, do, do, what you ought to do, do, do.
Take me in your arms, please do,
Let me cling to you, you, you.
We were meant for each other, sure as Heaven above.
We were meant for each other, to have, to hold, and to love!
You, you, you, there's no one like you, you, you,
You could make my dreams come true.
If you say you love me too.

3. THAT'S AMORE

1953. Composer Harry Warren and Lyricist Jack Brooks. Signature song for Dean Martin.

When a moon hits your eye like a big pizza pie, That's amore!
When the world seems to shine like you've had too much wine,
That's amore!
Bells will ring ting-a-ling-a-ling, ting-a-ling-a-ling
And you'll sing "Vita bella."
Hearts will play tippy-tippy-tay, tippy-tippy-tay,
Like a gay tarantella!
When the stars make you drool - just like a pasta fazool -
That's amore!
When you dance down the street with a cloud at your feet,
You're in love.....
When you walk in a dream, but you know you're not dreaming,
Signore,
Scuzza me, but you see, back in old Napoli
That's amore!! That's amore!! (REPEAT)

4. LET THE REST OF THE WORLD GO BY

Written by Ernest R. Ball and J. Keirn Brennan in 1919; first recorded by Henry Burr & Albert Campbell in 1920.

With someone like you, a pal so good and true
I'd like to leave it all behind and go and find
Some place that's known to us alone.
Just a spot to call our very own.

We'll find perfect peace where joys will never cease
Out there beneath the kindly sky.

We'll build a sweet little nest
Somewhere out in the west,
And let the rest of the world go by!

5. BY THE LIGHT OF THE SILVERY MOON

1909. Music: Gus Edwards; Lyrics: Edward Madden.
First performed at the Ziegfeld Follies by Lillian Lorraine.

By the light of the silvery moon,
I want to spoon, to my honey I'll croon love's tune.
Honeymoon, keep a shinin' in June,
You're silvery beams will bring loves' dreams.
We'll be cuddlin' soon, by the silvery moon. (**Repeat**)

6. ALWAYS

1925. Irving Berlin as a wedding present for his wife Ellin.

I'll be loving you always,
With a love that's true always.
 When the things you've planned
 Need a helping hand,
I will understand always, always.

Days may not be fair always,
That's when I'll be there always!
Not for just an hour, not for just a day,
Not for just a year, but always.

7. GOD BLESS AMERICA!

1918. Music and Lyrics: Irving Berlin.

The song was revised by Berlin in 1938 and became Kate Smith's signature song.

God Bless America, Land that I love.
Stand beside her, and guide her
 Thru the night with a light from above.
From the mountains, to the prairies,
To the oceans, white with foam!
God bless America, My home sweet home.
God bless America, My home sweet home!

Thanks for singing along!! Hope you'll join me again soon! Trudi
