Name:_____

Community Service Hours

Merits serve as a way to maintain organization and structure among our team. We strive to teach that there are consequences for actions and taking precautions such as earning merits prior to the receiving the demerit helps avoid a more extreme consequence later.

- Merit forms for club membership or for summer activities may only be turned in the first two weeks of school. Merit forms after that date will not be accepted.
- Merit forms for school event attendance, volunteer work, etc. must be turned in the Monday following the date and will not be accepted late.
- 3 hours of community service earns 1 merit and 3 merits will cover 1 demerit.
