Biography

Arnold Semrau, 66, of Sterling Heights and Port Austin passed away on August 20, 2020 after courageously battling cancer and kidney disease for several years.

Arnold enjoyed volunteering as an Usher at St. Jane Frances de Chantal for several years until his health conditions prevented him from continuing to serve. He was an excellent home handyman, always working on some sort of project. He loved talking about his former truck driving days, playing cards and watching televised sports with his cat, Betty. His passion was spending time in Michigan's "Thumb," where he hunted, worked on old farm tractors and enjoyed time spent at the family cottage.
