

Public Hearing Notice

All residents and landowners in the Fruitland Special Service District: Fruitland Special Service District will hold a public hearing to discuss making an application to the Community Impact Board for a project to treat the Mill Hollow Spring and acquire additional water rights to support current and future system demands. Items to be discussed include: funding options, project scope, implementation schedule, and the effects on residents.

Date: May 15, 2025

Time: 3:00 PM

Place: FSSD Office, Fruitland, Utah

Please contact the FSSD Office for further information at (435) 548-2399
