

JORDAN VALLEY ANNEXATION

TRUMP PEACE PLAN FOR ISRAELI-PALESTINIAN 2-STATE SOLUTION

TRUMP PLAN 2-STATE SOLUTION 2020

The purpose of this illustration is to suggest that if the Jordan Valley is to be annexed by Israel, it could potentially trigger a major regional retaliating, not by the country of Jordan, but by the numerous Islamic para-military factions encircling Israel. With a weakened Israeli government and faded support of the USA –at that time due to its collapse, this scenario might well be the initiation of the Psalm 83 War that will usher in the protocols of the Prophet Daniel scenarios and outcomes.

The Israeli victory will ensure the rise of the Man of Sin whom the Christian call the AntiChrist, the Hews call the Messiah, and the Muslims will call Mahdi. He will make peace for 7 years and give permission for the Jews to rebuild their 3rd Temple. It will be the center of the New World Order that will centralize all political, economic and religious power from.

SURA 5:21
'O my people [Israel], enter the Holy Land which Allah has assigned to you and do not turn back and become losers.'

SURA 17:104
'And We said after Pharaoh to the Children of Israel, "Dwell in the land, and when there comes the promise of the Hereafter, We will bring you forth in [one] gathering.'

THE STRUGGLE FOR THE DIVINE BIRTH RIGHT
Most do not realize that in the Quran, it states that 'God' granted the Promised Land of Israel to the Children of Israel and ordered them to settle therein (Quran, Sura 5:21). It also emphatically and clearly states also that before the Last Day, 'God' will bring the Children of Israel to retake and repossession their Land. 'God' would gather them from all the different countries and nations (Quran, Sura 17:104). YHVH acknowledges that He brought them out from the Nations in verse 14 of chapter 38 of Ezekiel to resettled ruins, etc. Yet, most Muslims who abides by the Quran oppose the existence of the State of Israel. Such are in denial as they are opposing the Divine Decree. It is the same denial of the Semites, both Jewish and Muslim. The Jews resented having the Gentiles be grafted-in the same Covenants and Promises of YHVH. Then one has the denial of the Muslims recognizing that the Jews will need to have their land back that they clearly know is being occupied by them, temporarily as their Quran clearly states.
