From the Prez.....

Greetings to all, and welcome to the egad, it's November, edition of the 'Vair Fax. Hope you are all doing well. There have been a couple of illnesses in our club the last few weeks, more about that later.

Our club has been busy during the month of October. First was our 33rd annual 'Vairs at the Fair. We could not have gone to the store and bought weather any nicer than what we had on parade Saturday. Bright sunshine and mild temps made for an enjoyable day. There were 20 Corvairs in the parade and on display at the fairgrounds. As usual, many fairgoers stopped by and admired the Corvairs, asked questions and told of their _____ (fill in the blank) that had a 'Vair back in the day. We didn't go hungry either, as Clay grilled burgers and hot dogs on Friday night, and prepared the great taco bar on Saturday night.

The following weekend was 'Vairs in the Valley, hosted by the Corvair clubs of North Carolina. This is a fun event to attend, located in scenic Maggie Valley NC. The leaves were just beginning to show their fall colors, and each morning when you went outside, you could see where they had changed a bit more. Several members of Heart of GA made the trip. On Friday evening, there is a parade from the middle of Maggie Valley to the north end of town. It is a lot of fun, and draws a large crowd of people waving as the cars pass by. The Saturday people's choice show was located at a new venue this year, as the city park was not large enough to comfortably stage the cars. The fairground was used this year, and provided much more space to put the Corvairs, which ended up being 75 in number. There was a lot of work involved in putting on this show, and the host clubs did a wonderful job. If you have never been to this event, you should make plans to go next year. We always have a great time!

Please be aware that there will not be a regular meeting for November. Instead, the committee chairpersons will meet and discuss plans for Springfest 2024. This meeting is being held on November 4th instead of January, so plans can be finalized, and the information can be sent to CORSA, and put in the Communique Calendar in a timely manner.

The Heart of GA Christmas get together will be on December 2nd, at 12:00, at the airplane hangar in Bonaire GA. We will have BBQ, stew, and slaw for our meal. Everyone is asked to bring a wrapped children's toy, which will be donated to a local charity. Be sure to put a tag on the gift, saying if it is for a boy or girl.

Please RSVP me by Monday, November 27, so we will know about how much food to buy. Also, please bring a SMALL dessert, something easy to serve.

On the health front, please keep Paula Hilderbrand and Mike Gassmann in your thoughts and prayers. Paula contracted COVID during the weekend at Maggie Valley, and I talked to Mike a couple of nights ago and he has COVID. Get well soon, you guys!

Well, I guess I have blathered on long enough. If I don't see you at the planning meeting, I hope to see you at the Christmas party.

Take care,
Chuck
