

TRINITY ASSISTANCE STAFF HEALTH CHECK COVID-19

Due to Covid-19 Pandemic, temperature checks for all individuals living in the home is required. Temp checks for staff are to be done at the beginning of your shift and every 12 hours thereafter so long as you are on shift. If elevated temperature is noted (**100 degrees F or higher**) please notify RN on call immediately for further instructions. **In addition to fever, be alert for any other symptoms of Covid-19, (including cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell).** Alcohol wipes should be used to clean the thermometer after use. If alcohol wipes aren't available, thermometer can be gently cleansed with soap and water and dried well.
